ONE MONASH

CREATE CHANGE WITH MONASH

Whether it's through education, research, innovation, or changing the cultural landscape, we've been working to change the world for more than 60 years, and we're not about to stop. At Monash, we see challenges as opportunities and we're committed to making a positive impact on the world so that future generations can thrive. Our academics, students, staff, alumni, and donors make up a community of change-makers. Whether you want to change your life, your career, your community, or the future, it starts at Monash.

Are you ready to create change with Monash?

A GLOBAL COMMUNITY

As a university with a global footprint, we know we have to play our part in solving the problems facing the world. Our main base is in Australia, but our presence extends to locations in China, Malaysia, Indonesia, Italy and India. We also have partnerships with many international teaching institutions. Through our shared values, experiences and goals, we are more connected now than ever.

Each Monash campus has its own personality, and all are friendly, welcoming communities where you'll feel at home.

RESEARCH AT MONASH

Through research and education, Monash University actively contributes to meeting the challenges of the age to create a better future.

Today, our ambition and optimism are stronger than ever. We have a clear vision of what we want our research to achieve and how we'll help our researchers make it happen.

[CLICK HERE to learn more](#)

Climate change

We're committed to finding solutions to the impacts of climate change. We're bringing together our leading researchers and partnerships to work toward a better future.

- **Securing Antarctica's Environmental Future:** Monash is on a mission to reduce uncertainties in future climate and sea-level projections, as a major contributor to this the flagship global.
- **Fire to flourish:** developing novel approaches to strengthen community resilience against natural disasters.
- **Green technologies:** making breakthroughs in new and emerging low emissions technologies.

Geopolitical security

Monash investigates how international security can be strengthened worldwide.

- **Monash Data Futures Institute:** Using data-driven AI, the Institute is enhancing health sciences, governance and policy, and sustainable development.
- **Ending modern slavery:** Monash's Modern Slavery Law clinic seeks to provide legal hope to those in need of these resources. We've also developed strategic research partnerships with industry, government and other scholars to build the evidence base needed for action on modern slavery.
- **Monash Cybersecurity Centre:** our researchers at this centre explore, develop and enhance cybersecurity and software to deliver real-world solution for a range of sectors.

Thriving communities

Monash is taking a truly multi-disciplinary and society-wide approach to the challenge of 'living well' and fostering communities that thrive, with sustainable, inclusive solutions that drive better health, economic, social and cultural outcomes both locally and globally.

- **The RISE program** is working with communities, governments, researchers and industry partners to co-design water and sanitation solutions with 24 informal settlements in Fiji and Indonesia.
- **World Mosquito Program (WMP):** In the face of a rising global threat from mosquito-borne diseases, the WMP, a not-for-profit initiative owned by Monash, is stepping up its efforts to protect communities worldwide.
- **Cardiovascular disease:** Monash is finding new ways to prevent and treat cardiovascular disease and creating a world-leading network of cardiovascular experts.

WAYS INTO MONASH

SCHOLARSHIPS

Monash University is committed to attracting academic high achievers and producing internationally competitive graduates.

MONASH SCHOLARSHIPS

These are just some of the scholarships available to international graduate students:

- Monash International Leadership Scholarship – for high-achieving international coursework students
- Monash International Merit Scholarship – for high-achieving international coursework students
- Monash International Tuition Scholarship – for international graduate research students
- Monash Graduate Scholarship – available to students undertaking research master's and doctorates

There are many faculty and donor scholarships also available to international students. Scholarships are also available through external organisations to Monash such as the Australian government, sponsors and numerous countries worldwide.

 **CLICK HERE** for more information on our scholarship offering,

STUDY GRANTS

Through our Study Grants program, we'll help you reach your full potential and achieve your career goals and aspirations.

As an international student applying to study a graduate course at Monash University in Australia, you'll automatically be assessed for a Monash University International Study Grant offer.

- You must study a minimum credit-point load per semester to maintain your grant.
- Please note that Monash University International Study Grants are limited, so we encourage you to apply early.

AM I ELIGIBLE?¹

You must first apply for a Monash course. Monash University International Study Grants are awarded based on select eligibility criteria including:

- **Study level** – new commencing students undertaking graduate degrees are eligible
- **Academic criteria** – you must meet our academic entry requirements and have a full offer letter to study at a Monash Australia campus.

 **CLICK HERE** to learn more about our study grants

ENGLISH LANGUAGE COURSES

To succeed at Monash, you'll need excellent English language skills. We offer tailored English language programs designed to meet the specific requirements of the Monash course you're aiming to enter. When you apply, we'll assess your current skills and place you in the best program for your level and destination course.

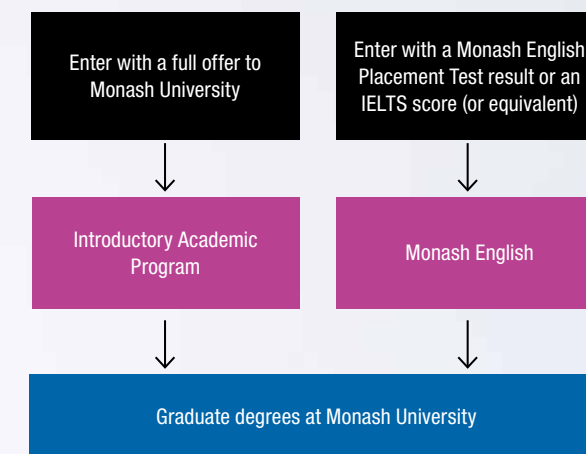

MONASH ENGLISH (ME)

This course will develop the English language and academic skills required for pursuing a foundation year, diplomas, undergraduate, graduate and higher degrees of research courses at Monash – without the need to sit for an IELTS test. There are multiple entry and exit points allowing you to align yourself with our destination programs and their enrolment and intake dates.

INTRODUCTORY ACADEMIC PROGRAM (IAP)

This course introduces you to the self-directed study style you'll need at Monash University. Classes focus on developing your academic reading and writing skills, critical thinking and research literacy, giving you the best start at university. A full offer to Monash University is required for entry.

Choose your English language pathway

 **CLICK HERE** to learn more about our programs

¹ Additional eligibility criteria apply and some courses may be excluded. Please visit our website for more detail.

YOUR PATH TO FUTURE SUCCESS

From day one, a Monash education sets you on the path to future career success.

CAREER DEVELOPMENT

Our programs and platforms offer work-integrated learning experiences and engagement with industry. You'll develop an enterprising mindset, hone your employability skills, and gain a competitive edge in the graduate employment market.

- **Career Connect:** you'll gain access to experienced coaches and industry-based professionals, employability workshops.
- **Student Futures:** collate your real-life skills to show employers you have the skills they're looking for beyond your university activities.
- **Mentoring:** you'll have the opportunity to be a mentor or be mentored giving/gaining insights about life at university, career planning, building employability, as well as future goals.
- **Develop leadership:** develop skills for effective leadership that will help you bring out the best in yourself and the people around you.
- **Monash Talent:** an employment service with a team of recruitment specialists who'll connect you with reputable employers and match you with jobs that suit your skills and passions.

ACADEMIC DEVELOPMENT

Student Academic Access

Monash's Student Academic Success (SAS) is a program with a supportive specialist team of advisers. Our Learning and Language advisers are there to help you get on track with learning, stay on track and boost your results. With SAS you'll be able to access:

- individual consultations with learning and language advisers to gain support.
- workshops to learn a range of learning and language skills with other students.
- self-help resources such as quick study guides, learning and teaching technology guides and other bespoke resources that will support your orientation and academic progress.

 **CLICK HERE** to learn more about Student Academic Success

INDUSTRY EXPERIENCE

Our programs and platforms offer industry experience and engagement with industry. You'll develop an enterprising mindset, hone your employability skills and gain a competitive edge in the graduate employment market. Incorporate professional experience into your studies through clinical placements, fieldwork, study tours, placements, or internships. Each of our ten faculties offer industry experience options. We've listed just a few.

IT and Engineering

Both our IT and Engineering faculties have specific industry experience opportunities throughout their graduate offering.

Monash Law School

Monash Law offers a guaranteed clinical education experience for all students who wish to incorporate a practical component credited towards their Monash Law degree.

Monash Business School

Monash Business School offers practical experience with many of their courses, with many of their courses providing accreditation and professional recognition.

Medicine, Nursing and Health Sciences

Our school of Medicine, Nursing and Health Sciences have created placement requirements through many of their graduate courses, all designed to maximise your professional development.

 **CLICK HERE** to learn more about our INDUSTRY EXPERIENCE options

LIVING IN MELBOURNE

Our Australian base is a vibrant, multicultural city that offers an abundance of cultural festivities, international sporting events, cafés and restaurants with cuisines from around the world, beautiful parks and beaches, and an eclectic mix of music and arts. You couldn't pick a better place to live.

As one of the world's most liveable cities¹, you can expect excellence in public transport and healthcare, as well as opportunities for casual work while studying. Plus, Melbourne is renowned as a welcoming environment for international students, providing a home away from home.

LIFE AT MONASH

We want you to get the most out of your university life and that goes beyond what course you enrol in.

YOUR STUDENT EXPERIENCE

Start with a short stroll to class before lunch; or chat with your friends at one of the cafés. Study on the lawns in the afternoon. Connect with fellow travellers in our clubs and societies. Gyms, tennis courts, sports fields, and even restaurants—they're all available to you as you build your student life at Monash.

Student experiences

A huge part of your student life will be in the connections you make. We offer a myriad of ways to connect with other students. There are hundreds of clubs and associations, and we run events and activities throughout the year that will allow you to connect with other people and cultures.

Health and security services

Staying physically and mentally healthy can impact on the success of your studies. We offer medical, dental, counselling and pharmacy services on our campuses. We also offer disability support services, and LGBTIQIA+ support services as well. Our security services are staffed 24-hours, so you can be sure to have assistance available to you if you're staying back late to study.

[CLICK HERE](#) for student support services

LIVING ON CAMPUS

Where you'll live is one of the more important decisions you'll make at university. From halls of residence or self-contained studio apartments on-campus, to tips for renting your own place, we're here to help.

On-campus accommodation

Living on campus offers convenience, fun, and safety. Join our inclusive residential community to enjoy weekly events, make friends, and receive support from our live-in residential teams and 24/7 security assistance. On-campus accommodation is available at the Clayton and Peninsula campuses in a range of different styles from shared apartments, halls of residence and self-contained studio apartments! We also have dedicated graduate wings in our urban community halls exclusively for graduate students. They're quieter and often include shared spaces to study and to connect with your neighbours. If you're a graduate or mature-aged student you'll be allocated a room within a graduate wing.

Scan the QR code to view pricing and inclusions¹.

Applications for on-campus accommodation are free and open from September.

[CLICK HERE](#) for information on Monash Residential Services

Image: Monash Merchant, Clayton campus

Image: Basketball courts, Caulfield campus

¹ The fees for living on campus at Monash University vary depending on the type of accommodation. On-campus accommodation costs include gas, water, electricity, internet, residential parking permit and laundry facilities.

ART, DESIGN AND ARCHITECTURE

At Monash Art, Design and Architecture, you'll thrive in a creative community that allows you to take risks and break new ground.

Our vibrant community of students, academics, researchers and staff generates creative activity at the highest level. Our Art, Design and Architecture facilities and technical workshops give you access to state-of-the-art technology that blend traditional methods of production with emerging and new technologies. You'll take your ideas from concept to prototype using a range of techniques, materials and equipment. You'll learn how to challenge the status quo, engage on a global level and graduate with the skills and confidence to make positive change – to their life, and to the lives of those around them.

PROFESSIONALLY ACCREDITED COURSES

All our courses are professionally accredited.

Architecture: accredited by the Architects Accreditation Council of Australia, (also recognised by the board of architects in Malaysia and Singapore).

Design: recognised by the Design Institute of Australia.

Urban planning and design: accredited by the Planning Institute of Australia.

RESEARCH LABS

At Monash Art, Design and Architecture, you'll have the opportunity to study with a wide range of academics who undertake innovative, collaborative research that addresses the most pressing issues of our times. You'll also get to participate in research to see how design can intersect and impact on other industries like:

- Reimagining cities
- Health and human experience
- Expansive visions and technologies
- Additional research
- Graduate research.

We offer world-class studios and facilities, from glass and automotive clay modelling to 3D printing and robotic manufacturing.

¹ 2024 quoted fees, in Australian dollars and are subject to change. Fees are per 48 credit points – a standard full-time course load for a year.

² This is only applicable if you have not satisfied the English language requirement; you're required to complete a Monash-approved English test such as IELTS (Academic), Internet Based TOEFL or Pearson Test of English (Academic). Other English tests may also be accepted and are assessed when you apply to Monash.

³ The entry requirements in this table only provide the basic course entry requirements. Your prior qualification/s must be accredited to the equivalent Australian level specified in the entry requirements table. Full details are available on our website.

⁴ In equivalent Monash University grading scale terms, a 100% scale where 50% is a pass.

⁵ Duration is expressed in years, and reflects full-time study mode. Even if you're eligible for a shorter course duration, you may elect to complete the longer duration.

⁶ The July intake is only open to Monash Bachelor of Architectural Design students.

For full course details visit our website, monash.edu/study

ARTS, HUMANITIES, SOCIAL SCIENCES AND PERFORMING ARTS

When you study with Monash Arts, you'll be able to broaden or specify your studies to suit your interests and career goals.

DOUBLE MASTER'S PROGRAMS

Monash Arts offers the opportunity to study internationally through our broad range of double master's programs. You'll enrol in select courses here, and complete another master's course through select university partners, including:

- Jean Moulin Lyon III, France
- Kobe City University of Foreign Studies, Japan
- O.P. Jindal Global University, India
- Shanghai Jiao Tong University, China
- Tata Institute of Social Sciences, India
- Università di Bologna, Italy
- University of Warwick, United Kingdom.

Upon successful completion of your academic program at Monash and the academic program at the partner university, you'll be eligible to graduate with the degrees from both institutions, awarded separately.

FACILITIES

From the high-tech, multi-million dollar Monash Media Lab, to the collaborative Learning and Teaching building and our inspiring libraries providing resources, spaces and technologies, Monash's facilities will make your learning experience interactive, engaging and supportive.

CLICK HERE FOR FULL DETAILS OF OUR GRADUATE COURSE OFFERING

Monash Business School is the largest faculty at Monash. Our top rankings and accreditations are a guarantee of an internationally recognised and high-quality education. It's a passport to a global career.

ACCREDITATION

Monash Business School has triple accreditation from three global accrediting bodies. This level of accreditation is held by only 1% of business schools worldwide.

**RANKINGS**

- Ranked 1st in Australia for Business Administration, Economics, and Finance Business (Academic Ranking of World Universities, 2023)
- Top 5 in Australia for Management (Academic Ranking of World Universities, 2023).

MADE FOR FLEXIBILITY

More than any other university in Australia, Monash allows you to shape your course to fit your future. We offer the choice of 12 new double Master's degrees that can be completed in as little as two years. Or you can opt for a streamlined single Master's degree to fast-track your studies in one year. At Monash Business School, we are opening more doors and multiplying your career options.

GLOBAL STUDY

With more than 100 partner universities, Monash offers you the chance to challenge yourself and broaden your horizons by studying and travelling overseas as you work towards your degree.

ALUMNI

Our expansive network allows you to keep in touch with fellow global professionals who have a strong shared history. You can use our alumni portal to make connections, be guided by experienced mentors, and access professional development.

1 2024 quoted fees, in Australian dollars and are subject to change. Fees are per 48 credit points – a standard full-time course load for a year.

2 This is only applicable if you have not satisfied the English language requirement; you're required to complete a Monash-approved English test such as IELTS (Academic), Internet Based TOEFL or Pearson Test of English (Academic). Other English tests may also be accepted and are assessed when you apply to Monash.

3 The entry requirements in this table only provide the basic course entry requirements. Your prior qualification/s must be accredited to the equivalent Australian level specified in the entry requirements table. Full details are available on our website.

4 In equivalent Monash University grading scale terms, a 100% scale where 50% is a pass.

5 Duration is expressed in years, and reflects full-time study mode. Even if you're eligible for a shorter course duration, you may elect to complete the longer duration.

6 This grade average is required for the bachelor's degree only.

7 You'll need to achieve this grade average in both qualifications.

8 There are limited places for this course. Meeting the minimum entry requirements may not guarantee entry to this course.

For full course details visit our website, monash.edu/study**EDUCATION,
PSYCHOLOGY
AND COUNSELLING** **CLICK HERE** FOR FULL DETAILS
OF OUR GRADUATE COURSE OFFERING

Through our faculty you can become a teacher, or explore further studies in education, psychology or counselling.

ACCREDITATION

Our teaching, counselling and psychology courses are all accredited so you'll be able to practice in your chosen profession once you've completed your studies.

RANKINGS

- Ranked No.1 in Australia for Education (Times Higher Education 2023, ARWU rankings 2023)
- 14th in the world for Education (Times Higher Education 2023)
- 94% of graduates are employed within four months (QILT survey 2022).

PROFESSIONAL PLACEMENTS

Our teaching, counselling and psychology courses offer the opportunity for professional development through placements.

ENGINEERING

Monash University is ranked as the No 1. Engineering school¹ in Australia.

INDUSTRY EXPERIENCE

Open up new possibilities for your career with an Industry Experience (IE) placement with one of our many partner organisations or connect with industry on campus through the Monash Innovation Labs, Industry Innovation Program and Monash Industry Team Initiative (MITI).

You'll gain practical work experience and establish networks through industry-based projects, seminars and internships while you complete your master qualification.

ACCREDITATION

The Master of Professional Engineering is globally recognised and accredited by Engineers Australia.

Australia is a signatory to the Washington Accord, which means Monash Engineering graduates of accredited degrees can work in any other signatory country, without the need to re-qualify.

EMPLOYABILITY AND CAREERS

Monash Engineering offers a suite of degrees that will propel your career whether you seek a professionally accredited degree or a course that gives you advanced technical knowledge. In fact, 94% of our postgraduates secure full-time employment within four months².

Our graduates have gone on to successful careers with leading global organisations including Tesla, NASA, Dyson, Google, Nestlé, Tata, Department of Transport, BHP, PepsiCo, Deloitte, Department of Defence, Apple, Rocket Lab, PwC, Environment Protection Authority and United Nations. And many go on to form their own companies.

Improve your employment outcomes, leverage our world-wide industry connections and set yourself up for career success with a Master of Engineering.

SCHOLARSHIPS

Monash offers a range of scholarships and awards to our Engineering students. For more information, visit monash.edu/engineering/future-students/scholarships

RANKED
NO.1 IN AUSTRALIA
AND NO. 52 IN THE WORLD¹
FOR COMPUTER SCIENCE

Monash is one of the universities in the prestigious Group of Eight with a faculty dedicated to Information Technology.

Our graduate programs cover every major area of our industry— giving you the opportunity to develop expert knowledge in your chosen field.

PROFESSIONAL RECOGNITION

All our master's courses (by coursework) are accredited with the Australian Computer Society – the professional association for information and communications technology in Australia.

HANDS-ON EXPERIENCE

All of our students gain valuable practical experience, ensuring they are highly sought-after in the job market. Postgraduate courses provide:

- Industry Experience Studio Projects – this is a unit of your graduate course where you'll have the opportunity to apply the skills and knowledge you've gained through your studies in an industry-focused setting.
- The Monash IT industry experience (IE) project – you'll develop an IT system, allowing you to apply all the skills and knowledge you've gained in an industry-focused setting.
- Minor thesis – showcase your mastery of a subject area while augmenting and contributing new knowledge.

INDUSTRY MENTORING AND TEAM WORK

At Monash, we value team work and our IT students work together in multidisciplinary, self-managed teams where you'll develop a system from ideation right through to implementation. This exercise will help develop the essential 'soft skills' so highly regarded by employers.

Industry mentors are provided both at Monash and at our industry partner organisations, where you'll experience the workplace in action. The industry mentors will provide feedback on your system's functionality as well as the project and team management.

FACILITIES

Our cutting-edge spaces are primarily located at Monash Clayton campus and they include our:

- Mixed Reality Studio
- Cybersecurity Studio
- Immersive Analytics Lab
- Makerspaces
- Human Interaction Lab
- 360-seat teaching space

Many of these facilities are based in the Woodside Building for Technology and Design, one of the most efficient and innovative buildings of its kind powered by solar energy. We also have some at Monash Caulfield like SensiLab – the home of computational creativity.

SCHOLARSHIPS

All eligible international students will automatically be considered for our Information Technology Postgraduate Scholarships.

For international students, we offer:

- Graduate research scholarships
- Monash International Merit Scholarship

¹ Times Higher Education World University Rankings by Subject, 2024

Ranked in the top 45 law schools in the world¹, Monash Law is one of the largest and most prestigious law schools in Australia.

Our Monash Law Chambers is the hub for our graduate law courses and we have a broad teaching base, strong international links and an excellent reputation. We offer a range of postgraduate and research degrees and provide legal education and training to more than 3500 undergraduate and graduate students at any one time.

SCHOLARSHIPS

Monash offers any number of scholarships to eligible applicants. But our faculty of Law also offers its own set of scholarships, from relocation, accommodation and resident scholarships, through to merit and mentoring scholarships, visit our website to see more.

CAREER OUTCOMES

Monash Law graduates typically work in national and international law firms, smaller city and suburban firms or legal practices in regional centres, large corporations as in-house legal counsel or the government sector. If you're not thinking of becoming a lawyer, Monash Law can help you embark on non-legal career paths such as:

- banking and finance
- business management
- environmental protection and development
- government and politics
- international organisations, such as the United Nations
- non-government organisations such as the Red Cross and Amnesty International
- project management
- science and engineering.

MEDICINE, NURSING AND HEALTH SCIENCES

If you have the passion, we have the opportunity.

In just over 60 years, Monash Medicine, Nursing and Health Sciences has become globally recognised for our quality education of over 50,000 doctors, nurses, and allied health professionals. As the University's largest research faculty, we have contributed to breakthroughs in crucial areas like IVF, Alzheimer's disease, cancer research, and infectious diseases. Our continued teaching excellence and research outcomes have cemented Monash's place as a world leader in medical and health sciences research and education.

TEACHING AND LEARNING FACILITIES

Our Clayton campus is home to Australia's first specialist heart hospital—the Victorian Heart Hospital. This ground breaking institution signifies a new era of integrated heart research and clinical excellence in Australia. Under one roof, patients have access to world-leading cardiac care, supported by pioneering research led by Monash University's Victorian Heart Institute.

We utilise a bench-to-bedside model for our students from the first day they step into our classrooms, where students learn from teaching staff who are embedded in clinical and world-leading research.

PROFESSIONAL ACCREDITATION

Many of our graduate courses are professionally accredited.

CLINICAL PLACEMENTS

We partner with leading healthcare providers and industry leaders to equip you for a successful career in health.

RANKINGS

Monash Medicine, Nursing and Health Sciences has achieved excellent rankings for many subject areas, with the following falling in the top 50 rankings:

1 2024 quoted fees, in Australian dollars and are subject to change. Fees are per 48 credit points – a standard full-time course load for a year.

2 This is only applicable if you have not satisfied the English language requirement; where you will be required to complete a Monash-approved English test such as IELTS (Academic), Internet Based TOEFL or Pearson Test of English (Academic). Other English tests may also be accepted and are assessed when you apply to Monash. For Master of Nursing Practice, other rules apply to comply with the Australian Health Practitioner Regulation Agency registration standards and English language requirements.

3 The entry requirements in this table only provide the basic course entry requirements. Your prior qualification/s must be accredited to the equivalent Australian level specified in the entry requirements table. Full details are available on our website.

4 In equivalent Monash University grading scale terms, a 100% scale where 50% is a pass.

5 Duration is expressed in years, and reflects full-time study mode. Even if you're eligible for a shorter course duration, you may elect to complete the longer duration.

6 There are limited places for this course. Meeting the entry scores may not be enough to secure a place in this course.

7 This is an intensive course requiring on-campus students to overload and complete in one year.

8 Intakes will vary depending on the specialisation and the entry level. Please see our website for more details.

9 You're required to achieve this average score in both qualifications.

For full course details visit our website, monash.edu/study

PHARMACY AND PHARMACEUTICAL SCIENCES

RANKED NO.2
GLOBALLY FOR
PHARMACY AND PHARMACOLOGY¹

Our specialist Pharmacy and Pharmaceutical Sciences campus is located in Parkville, close to the Melbourne CBD and in the heart of a key biomedical precinct which is a hub for health and biomedicine innovation and jobs in Victoria.

We are a tight knit community, where you'll easily get to know your fellow students and lecturers. Dedicated to the development of competent and confident pharmacists and pharmaceutical scientists, we have excellent links to industry and research bodies, take an innovative approach to teaching, and embed practical placements into our courses to give you valuable industry experience.

The Master of Pharmaceutical Science has been designed in consultation with major employers and research leaders and will build on your scientific knowledge, preparing you for a career in the pharmaceutical sector or related industries such as cosmetics, food and beverage, and paints and coatings. You'll be taught through a variety of engaging methods, including case studies, team projects and lab time using industry-standard equipment. The course culminates with an extended placement.

Note: completion of the Master of Pharmaceutical Science is not a pathway towards provisional or full registration as a pharmacist in Australia.

GRADUATE ENTRY PHARMACY

Want to qualify as a registered pharmacist in Australia? Consider Graduate Entry Pharmacy.

Master of Pharmaceutical Science²

COURSE CODE: P6005 CRICOS CODE: 105950C

LOCATION	ENTRY REQUIREMENTS ³	AVERAGE SCORE ⁷	DURATION ⁵
PARKVILLE INTAKE FEBRUARY, JULY ³ FEES ⁴ A\$51,400 ENGLISH TEST LEVEL ² A	Bachelor's degree (or equivalent) in science, biomedical science or engineering	Credit (60%)	2
	Bachelor's degree (or equivalent) in pharmaceutical science	Credit (60%)	1.5
	Bachelor's (hons) degree (or equivalent) in pharmaceutical science, OR	Distinction (70%)	1
	Bachelor's (hons) double degree (or equivalent) in engineering and pharmaceutical science		

1 QS World University Rankings by subject, 2023.

2 Please note that completion of the Master of Pharmaceutical Science is not a pathway towards provisional or full registration as pharmacist in Australia. The course is not an accredited program of study for pharmacist registration in Australia.

3 The July intake is only available to the 1.5 year program.

4 2024 quoted fees, in Australian dollars and are subject to change. Fees are per 48 credit points – a standard full-time course load for a year.

5 This is only applicable if you have not satisfied the English language requirement; you're required to complete a Monash-approved English test such as IELTS (Academic), Internet Based TOEFL or Pearson Test of English (Academic). Other English tests may also be accepted and are assessed when you apply to Monash.

6 The entry requirements in this table only provide the basic course entry requirements. Full details are available on our website.

7 In equivalent Monash University grading scale terms, a 100% scale where 50% is a pass. Your prior qualification/s must be accredited to the equivalent Australian level specified in the entry requirements table.

8 Duration is expressed in years, and reflects full-time study mode. Even if you're eligible for a shorter course duration, you may elect to complete the longer duration.

For full course details visit our website, monash.edu/study

Studying science at Monash gives you the opportunity to learn from leading experts who are at the forefront of teaching and research in pure and applied sciences.

You'll develop academically and personally in a dynamic and stimulating environment, with access to brilliant minds, exceptional new facilities and dedicated spaces.

FACILITIES

More than \$200 million has been invested in recent years to transform the Clayton-based

Science Faculty into one of the leading science precincts in the southern hemisphere.

- Science student learning lounge
- Earth sciences garden
- Jock Marshall reserve
- Green chemical futures building
- Physics and astronomy collaborative learning environment (PACE)
- New Horizons research centre
- Maths Learning Centre
- The Hutton-Westfold observatory.

SPECIALISATIONS

- Astrophysics
- Atmospheric science
- Earth science
- Physics

1 2024 quoted fees, in Australian dollars and are subject to change. Fees are per 48 credit points – a standard full-time course load for a year.

2 This is only applicable if you have not satisfied the English language requirement; you're required to complete a Monash-approved English test such as IELTS (Academic), Internet Based TOEFL or Pearson Test of English (Academic). Other English tests may also be accepted and are assessed when you apply to Monash.

3 The entry requirements in this table only provide the basic course entry requirements. Your prior qualification/s must be accredited to the equivalent Australian level specified in the entry requirements table. Full details are available on our website.

4 In equivalent Monash University grading scale terms, a 100% scale where 50% is a pass.

5 Duration is expressed in years, and reflects full-time study mode. Even if you're eligible for a shorter course duration, you may elect to complete the longer duration.

6 You need to have achieved this average in both qualifications.

7 July entry is only available with the Astrophysics and Physics specialisations.

For full course details visit our website, monash.edu/study

ENTRY REQUIREMENTS

When you apply to Monash University for a graduate degree by coursework, you must satisfy all of the following requirements:

1 MINIMUM AGE REQUIREMENTS: You must be at least 17 years of age to enrol in an graduate course. Some exemptions may apply. Visit [monash.edu/admissions/age-requirements](https://www.monash.edu/admissions/age-requirements).

2 ACADEMIC ENTRY REQUIREMENTS: All graduate courses require you to have successfully completed a minimum of an Australian bachelor degree (or equivalent) and achieve the required academic entry score. The course tables in this guide only provide the basic course entry requirements – full details are available on our website.

3 ENGLISH ENTRY REQUIREMENTS: All graduate courses require you to satisfy English entry requirements where different entry levels apply. The measure of English must be completed within three years prior to the Monash course commencement date (other guidelines may apply).

English entry requirements can be met in one of the following ways:

Language of instruction: You can meet English entry requirements if you've completed studies at an institution where English is the language of instruction, communication and assessment for all aspects of study for the whole of the educational institution, by satisfactorily completing half a year of full-time study (equivalent to 24 Monash-credit points) at Australian VET Diploma (AQF level 5) or higher (or equivalent).

English tests

Monash accepts the following English tests as satisfying English entry requirements:

- IELTS (Academic): www.ielts.org
- TOEFL (internet based): www.ets.org
- Pearson Test of English (Academic): www.pearsonpte.com
- C1 Advanced and C2 Proficiency: www.cambridgeenglish.org

Other English tests may also be accepted and are assessed when you apply to Monash. If you have completed several measures of English proficiency over a period of time, the highest valid measure will be accepted.

Monash reserves the right to ask students to undertake a Monash approved English test to meet English entry requirements. For more information refer to [monash.edu/study/admission-procedure](https://www.monash.edu/study/admission-procedure).

4 ADDITIONAL REQUIREMENTS
Some graduate courses may require you to satisfy additional and/or special requirements. Full details for these can be found on our website.

Please note that all entry requirements for Monash University are subject to change.

MONASH UNIVERSITY ENGLISH TEST LEVELS

Each Monash course has an assigned English test level that applies to Monash-approved English tests where the entry scores for each level are specified below.

English test levels ¹	Academic IELTS					Internet-Based TOEFL					Pearson Test of English (Academic)				
	Overall band score	Listening	Reading	Speaking	Writing	Total score	Listening	Reading	Speaking	Writing	Overall score	Listening	Reading	Speaking	Writing
A	6.5	6.0	6.0	6.0	6.0	79	12	13	18	21	58	50	50	50	50
B	6.5	6.5	6.5	6.0	6.0	79	20	19	18	21	58	58	58	50	50
C	7.0	6.5	6.5	6.5	6.5	94	20	19	20	24	65	58	58	58	58

Monash English entry requirements for other Monash-approved English tests can be located at: monashcollege.edu.au/courses/english

¹ The English test level for each Monash course is specified in the course tables in this guides.

APPLICATION PROCESS FOR INTERNATIONAL STUDENTS

BEFORE YOU APPLY

Use monash.edu/study to check:

- minimum age requirements
- minimum entry requirements that apply to international students
- English entry requirements
- course entry requirements
- additional requirements (if applicable)
- special requirements (see course handbook) handbook.monash.edu
- application deadlines
- start dates
- fees.

WHEN SHOULD YOU APPLY?

Apply online as early as possible as some courses may close a few months or a year before the course start date. This allows time for your application to be processed and can help to secure a place if your preferred course has limited places. Applying early also gives you time to get your student visa, which can take up to six months for some nationalities and countries.

APPLY FOR CREDIT

To apply for credit visit monash.edu/admissions/credit

DEFER YOUR STUDIES

Monash generally allows deferment of study up to a maximum of twelve months, or longer in exceptional circumstances. If you decide to delay your course commencement send your deferral request to mu.documents@monash.edu.

Other guidelines apply, visit: monash.edu/defer

NEED HELP WITH YOUR APPLICATION?

If you're applying through a Monash agent contact them for assistance. Some Monash agents may charge a fee for additional services. For a list of Monash agents visit, monash.edu/study/agents-database.

 Chat with Monash

HOW TO APPLY

1 Apply online: Apply for your preferred course at monash.edu/admissions/apply/online. You'll also need to provide additional documents to support your application that may require certification and/or translation, visit monash.edu/study/certifying-documents

2 Your application is assessed: We determine whether you've met the University entry requirements, and if successful you'll receive an offer known as an International Student Course Agreement (ISCA). Monash also checks whether you're a genuine student seeking entry to Australia to study, visit monash.edu/study/visa-requirements

3 Accept your offer: Follow the instructions in your ISCA. You must complete, sign and return all pages in Part A of your ISCA, along with payment and provide a copy of the personal details page of your passport to Admissions BEFORE the offer lapse date.

4 Receive a Confirmation of Enrolment (CoE) and enrol online: Once your acceptance has been processed, you'll receive an electronic CoE and an invitation to set up your Monash account to enrol in your course online. You'll need to plan your course and enrol early so that you can get the best possible start.

5 Arrange your student visa: You'll need the CoE to apply for your student visa with the Department of Home Affairs (DHA) for study in Australia¹. When applying for your student visa, you'll need to meet all core visa criteria, such as the genuine student requirement, good character and health criteria. Financial capacity documentation may also be required. You'll also need to satisfy English requirements set by DHA where these requirements may differ from Monash.

If you're under 18 years of age when you start your course, you need to have your caregiver and accommodation arrangements approved before applying for your student visa, visit monash.edu/students/under-18

For more information visit: monash.edu/study/visa-requirements monash.edu/connect/student-visa.

6 Planning your arrival: Participate in the pre-arrival briefing, book your airport reception, research your accommodation options, and attend Orientation week. Use a checklist to ensure you've completed essential tasks before you start your course at Monash.

 **CLICK HERE** for more details on the application process

FEES

To study at Monash University, you'll need to pay tuition fees to the University. As an international student, you'll be charged full fees. Tuition fees vary depending on the course and the year of commencement. All tuition fees and course durations specified in this guide are in Australian dollars and only apply to courses studied at Australian campuses. The tuition fees quoted are for 48 credit points and are applicable to courses commencing in 2024. Tuition fees for courses commencing in 2025 will be different. Monash University reserves the right to adjust the annual tuition fees in future years of your course. Any adjustment will be applied on the first day of January each year for teaching periods with a census date thereafter.

monash.edu/scholarships-fees

 **CLICK HERE** for more information

OVERSEAS STUDENT HEALTH COVER (OSHC)

It's a condition of the Student Visa (subclass 500) that you must hold Overseas Student Health Cover (OSHC) for the duration of your stay in Australia. Monash University requires all commencing international students to purchase OSHC for the duration of their visa. If you're accompanied by immediate family to Australia as dependants on your student visa, you'll also need to purchase the visa-length OSHC for them.

Your Confirmation of Enrolment (CoE), for student visa purposes, will only be issued:

- once you've accepted your course offer along with payment for OSHC; or
- provided proof of having a valid visa-length OSHC; or
- you've submitted approved documentation for exemption from payment of OSHC.

monash.edu/study-fees

¹ You're advised not to commence the visa application process until you've been issued with your CoE. Your student visa application may take up to six months or more, depending on your nationality and country of residence.
