CRICOS Provider Name: TAFE NSW - Technical and Further Education Commission CRICOS Provider Code: 00591E.

Achieve more with TAFE NSW

TAFE NSW is a vibrant, diverse and dynamic community that values learning new skills to achieve career goals. Whether you want to improve your English skills, study for a career, or complete a degree, TAFE NSW is the place for practical, real world skills that employers want.

For over 130 years, we have stood apart through our trusted reputation as the largest Government public provider of vocational education and training (VET) in Australia. This means you can be assured that our nationally accredited courses are government guaranteed.

As an international student, you will be safe and supported throughout your journey at TAFE NSW, with programs designed to help you succeed. With locations across New South Wales, wherever you choose to study you will find a rich and rewarding experience waiting for you at TAFE NSW.

How to use this guide

1. Learn about TAFE NSW

TAFE stands for Technical and Further Education. Discover why TAFE NSW can provide the best start to your dream career. Learn about our teachers, locations, courses – and why you can feel safe choosing TAFE NSW.

Start thinking about where you would like to live, study and work in New South Wales (NSW), and get excited about launching your new career.

- Why choose TAFE NSW? Page 4

2. Decide on a course and qualification

Find your ideal course using the profiles in this guide for inspiration. Visit tafensw.edu.au/international to discover all your options. Then choose the qualification level you require, whether certificate, diploma, advanced diploma, or bachelor degree.

TAFE NSW also offers English language courses, so you can improve your English and prepare for your studies.

- English language courses: Pages 10-11
- Course areas: Pages 12-67
- TAFE NSW Degree: Pages 68

3. Choose your TAFE NSW location

Each TAFE NSW location offers its own unique qualities. Find out more about life on location - visit tafensw.edu.au/international/study/locations

- TAFE NSW locations: Page 8-9

4. Check the entry requirements and fees

Before you apply for a course, ensure that you meet all the entry requirements. You can find the course details, entry requirements, locations, intakes, and the course fee on the TAFE NSW International website.

Note that you may need to take an English test before enrolling in a TAFE NSW course, depending on visa requirements and your English language level.

- Your enrolment: entry requirements, visas and fees: Pages 73-76

5. Apply

Once you have decided on your course and location, you're ready to apply. You can do this through an education agent, online, or by email. The most popular method is to apply through a registered TAFE NSW education agent.

- How to apply: Page 73

Safe places for learning and growth

At TAFE NSW, there are plenty of study spaces, as well as opportunities to network and socialise, or just chill out. These include cafés, gyms, bookshops, galleries and exhibition spaces, as well as areas for student bands, barbecues, and theatre performances.

Jobs Connect

Jobs Connect is a free service, helping TAFE NSW learners take their next career step by providing recruitment support and connecting them with top employers.

We understand that finding a job can be daunting, which is why the Jobs Connect team will support you every step of the way. They'll help you land the job you want by providing you with the skills to stand out throughout the recruitment process.

The Jobs Connect team can help you:

- Find out what employers are looking for throughout the recruitment process
- Be exposed to employment opportunities while you study
- Have recruitment resources at your fingertips

To learn more about Jobs Connect, visit tafensw.edu.au/student-services/jobs-connect.

Libraries

TAFE NSW has a statewide network of libraries with the latest digital and print resources. Our librarians can assist you with locating resources and library facilities, information services, and a range of other online support services.

You can also get access to computers and software, WiFi, individual and group study areas, photocopying, printing and scanning services (including 3D printing at some locations), as well as all the research, referencing, and bibliography help you need for your assignments.

Childcare centres

Excellent childcare facilities are provided at some TAFE NSW locations. Places may be available for children under the age of six.

Work placement

Some of our courses require additional skill development that can only be achieved through work placements. Work placements are opportunities for students to develop their skills in a real world, workplace environment.

Students have an incredible opportunity to build valuable industry contacts that could lead to further work opportunities. To learn more about work placement requirements and opportunities, please refer to your specific course area on our website tafensw.edu.au/international.

International Customer Experience Team

Your dedicated International Customer Experience Coordinator will organise your pre arrival as well as your international orientation you when you arrive at TAFE NSW, answer all questions about your study program, visa obligations, help to resolve any problems and assist you in accessing other support services. To find your International Customer Experience Coordinator, visit tafensw.edu.au/international/enrol/support-services.

Student support services

Disability services

tafensw.edu.au/disability

TAFE NSW Disabilities Services ensure that students with a disability have access, support, and equal opportunities while studying. Disability Teacher Consultants will assist with providing reasonable adjustment based on your individual needs and the course in which you are enrolled. Disability Teacher Consultants can also help with assistive and adaptive technology needs. Additional fees may apply.

Counselling and career development services

tafensw.edu.au/counselling

The TAFE NSW counselling and career development is a free and confidential service designed to help you with strategies to get the most from your course and your studies, as well as in your chosen career. Prospective TAFE NSW students are able to access the service to assist with course choice decisions and career planning.

Students enrolled with TAFE NSW are able to access a range of services to assist in career development and personal support.

Learning support

tafensw.edu.au/study-support

TAFE NSW provides valuable learner support through 24/7 access to LinkedIn Learning, via Smarthinking that connects you to subject specialists, and the Read & Write App.

Scholarships

tafensw.edu.au/international/apply/scholarships

International students may be eligible for a scholarship to support your studies at TAFE NSW. All scholarship opportunities, eligibility requirements and closing dates are updated regularly on our webpage.

Pathways to success

Are you looking to fast-track your career? Consider a TAFE NSW pathway. Whether you're preparing for work or further study, wanting to develop new skills, or pursuing a specific career outcome, we have the perfect pathway for you. Your journey will be tailored to your unique combination of skills, experience, study preferences, and career goals. Take a moment to explore our most popular entry points and start planning your future today.

English Courses

tafensw.edu.au/international/courses/english-courses

TAFE NSW offers intensive English language courses at government-owned and operated English Language Centres across NSW.

Certificate and Diplomas

tafensw.edu.au/international/courses

TAFE NSW offers a range of nationally recognised vocational qualifications including certificate, diploma and advanced diploma courses.

TAFE NSW Degrees

tafensw.edu.au/international/courses/degrees

We offer pathways from some diploma and advanced diploma studies. Credit transfers allow graduates of some diploma and advanced diploma courses into accredited TAFE NSW undergraduate degrees.

University Pathways

tafensw.edu.au/international/courses/university-pathways

TAFE NSW offers a range of pathway programs that provide guaranteed entry into a number of Australian universities.

Choose a NSW location

Australia is a culturally diverse country, with people from many different backgrounds living and working together. Whichever TAFE NSW location you choose, you will have opportunities for social and recreational activities with local students through the international customer experience coordinator.

Sydney

Sydney is the capital of New South Wales and one of Australia's largest cities. It is best known for the Sydney Opera House, Darling Harbour, Sydney Harbour Bridge, and the Royal Botanic Garden.

The Sydney region is bordered by beautiful coastlines and inner city suburbs boasting lively theatre experiences, great restaurants, exciting nightlife and a vibrant cultural scene.

Western Sydney

Located to the west of the Sydney CBD, the Western Sydney region is one of NSW's diverse cultural hubs. The region is experiencing significant growth and is developing the industries and communities of the future.

Encompassing significant areas of national parks and waterways, the Western Sydney region is bordered by the world heritage listed areas of the Blue Mountains, including the Three Sisters.

International students can choose from more than 30 locations across New South Wales. tafensw.edu.au/international/study/locations

Northern NSW

Northern NSW is a regional hub fostering innovative, creative, and technology-based businesses. It is home to charming country towns, idyllic farmlands, Australian wildlife, and beautiful coastlines.

Home to award winning wine regions, the famous beaches of Byron Bay and expanding to the Queensland border, Northern NSW offers students an amazing opportunity to experience regional Australia, including beautiful heritage sites and ancient rainforests.

Southern NSW

Extending south from Sydney to the state border, the rolling hills and breathtaking ocean views of the Southern NSW region are a fantastic backdrop to your studies. Studying in the Southern region enables students to develop skills related to the industries that these communities support.

Western NSW

The Western region has iconic rural and outback landscapes to explore, as well as historical villages and townships. Travelling to Western NSW is made easy by air, road, and rail connections. You can journey to the heart of NSW and experience rich Indigenous culture, visit World Heritage listed national parks as well as experience the iconic Australian outback.

International students can choose from more than 30 locations across New South Wales.

English Language Courses

TAFE NSW can help you meet the English language requirements of your chosen vocational or higher education course. Our English language courses offer flexible study options and commence every Monday, 50 weeks of the year.

Once you successfully complete your English course, you will automatically satisfy the English language entry requirements of your chosen TAFE NSW vocational or higher education course. You can study English as a stand-alone course, or package it with a TAFE NSW degree, advanced diploma, diploma, or certificate course.

Strong study support

When you enrol, you will enjoy access to all campus facilities and online practice activities, as well as the support of our highly experienced and qualified teachers who can develop your reading, writing, listening, and speaking skills.

General English Program

(Beginner to Advanced)

(5-50 weeks, 20 hours per week) CRICOS #049258C

This course helps to develop your confidence in communicating in English, and is suitable for students from beginners to advanced. Successful completion of General English gives you direct entry into TAFE NSW vocational courses that have an IELTS 6.0 entry requirement.

English for Academic Purposes

(5-20 weeks, 20 hours per week) CRICOS #0101064

This course aims to improve your English language proficiency and academic strategies for successful participation in academic and Higher Education courses.

To find out more, contact one of our TAFE NSW English Language Centres across NSW, and learn what options are available in each location to help you meet your English language goals.

Please note, the length of your English course will depend on your English proficiency at the time of enrolment, your progress during the course, and the entry requirements for the course that you want to study afterwards.

For detailed course information and English language entry requirements, please visit tafensw.edu.au/international

Course No./National Code	Course Name	Duration	Award Level	Fee (\$AUD)
049258C	General English Program	Up to 50 weeks	TAFE Statement	\$320 per week
0101064	English for Academic Purposes	Up to 20 weeks	TAFE Statement	\$320 per week

Visit the website for the latest course information tafensw.edu.au/international

A typical week in an English class

The best learning results come from mixing teaching methods, which is why you will read, write, listen, and participate in group discussions and conversations. With 20 hours per week of varied study, you will learn English easier and faster at TAFE NSW.

TAFE NSW English Language Centres

Sydney and Regional centres: Ultimo, Newcastle (Tighes Hill), Wollongong and Kingscliff*

Regional centre: Newcastle (Tighes Hill)

*English for Academic Purposes not offered at Kingscliff.

Arts, Fashion, Design & Digital Media

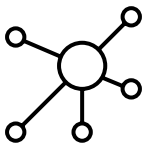

Employment growth

The creative industries in Australia employ around 500,000 people, with employment forecast to grow.[^]

The benefits of the creative economy in Australia can be seen in our flourishing design, fashion, interior, music, film, art and digital industries. More than half a million Australians now work in the creative fields. From cultural diversity to social inclusion and innovation, the arts, music, fashion, digital design, film, and TV sectors are some of the fastest growing and dynamic industries.

TAFE NSW arts, music, fashion, digital design, film, and TV courses are developed in close consultation with industry. When you choose TAFE NSW, you will learn in industry-standard facilities from experienced teachers who are passionate about what they do. Choose from a variety of disciplines and start at a level to suit you. A career in arts, music, fashion, digital design, film, and TV will give you a chance to become a part of Australia's creative economy.

Strong study pathways

TAFE NSW offers a range of creative industry degrees. Pathways also exist to other higher education providers.

[^] Source: Creative Australia 2023 - The Creative Economy in Australia - What Census 2021 Tells Us. <https://creative.gov.au/advocacy-and-research/the-creative-economy-in-australia-what-census-2021-tells-us>.

Design

Channel your passion and develop your creative talents to forge a rewarding and fulfilling career. You could learn to design amazing brand and advertising campaigns, beautiful interiors, innovative products and equipment, 3D art and animation, or provide administrative support to the art and design industry. At TAFE NSW, our talented teachers will foster your artistic gifts and develop your design skills and techniques, to ensure you are properly set up for a successful career.

Earning potential

Graphic designers earn a median salary of AUD \$1,280 per week.[^]

Building & Construction

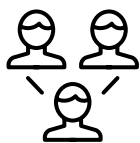

Job opportunities

Construction is a large employing industry, accounting for almost 1 in 10 jobs in Australia, with a strong positive growth outlook.*

More than half the world's population live in cities. With the increase in urbanisation and continued growth in population, the development of our environment into liveable and sustainable spaces that will accommodate diverse and growing communities is vital.

There are countless career options within the building, construction, and property industries. Study for a career in this area, and you will have the chance to design, innovate, create, and use your skills to help build and shape the future of Australia.

Strong industry connections

TAFE NSW maintains partnerships with major projects such as Western Sydney Airport Skills Exchange, as well as peak industry bodies including the Master Builders Association, Housing Industry Association, and Australian Property Institute.

* Source: Jobs and Skills Australia, Industries: Construction

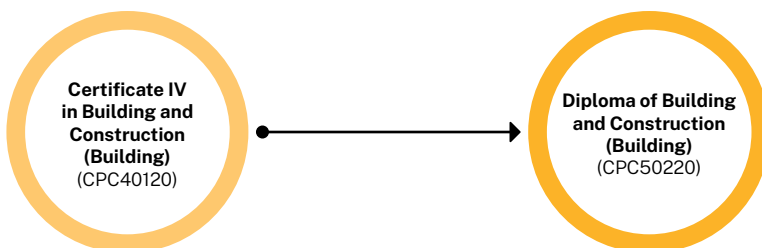

Building & Construction

With the current shortage of qualified construction managers within the building industry throughout Australia, there has never been a better time to get into construction. A qualification in building and construction will help you develop the skills and knowledge to manage building projects, including selecting contractors, contract management, overseeing work quality, and liaising with clients. Completing qualifications in building and construction can lead to a building contractor's licence and can give you the freedom to set up your own business, or lead to a career in project management.

Business & Finance

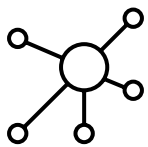

Employment growth

The Financial and Insurance Services industry employs around 560,000 people in Australia, and is projected to grow.[^]

From the point of conception to the point of sale, the varied roles of business and finance underpin all sectors of the Australian economy. The skills you develop and fine-tune will open countless career doors, no matter what your passion.

Whether you are interested in small or large enterprises, specialist work or general management roles, TAFE NSW offers a range of business and finance qualifications that provide insight into organisational productivity and business success. Focus your skills on accounting and finance, human resources, training and assessment, marketing and communications or sales and retail. Provide specialist business administration support or learn to lead and manage a team to ensure your business is organised for ongoing success. Whatever your passion or direction, your knowledge will be transferable across multiple industries, ensuring your career progresses.

Strong study pathways

TAFE NSW offers a range of business and finance related degree programs, with credit from our diploma courses.

[^] Source: Jobs and Skills Australia, Industries: Financial and Insurance Services

It was the teachers who gave me the confidence to continue my study. Their caring and supportive methods ensured that I believed in myself and my abilities – something money can't buy.

Gilda, Financial Planning

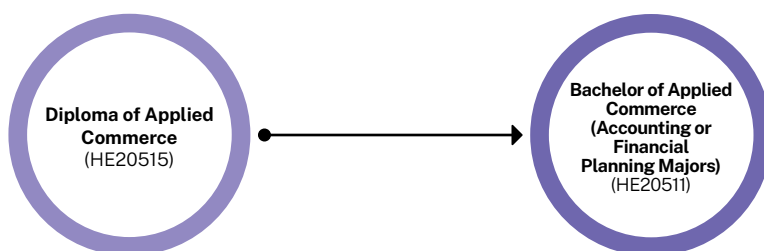

Accounting & Finance

There is strong demand in the public and private sector for highly trained accounting and finance professionals. Expertise in accounting and finance is essential for both business and personal success. TAFE NSW offers a wide variety of courses in this sector, giving you the skills and knowledge to become an industry leader, specialising in accounting, banking, investment, financial planning, mortgage, and stockbroking in Australia and overseas.

Community Services

Industry demand

Australia currently has a welfare support workforce of around 85,000 workers.[^]

When you work in community services, your people skills, compassion, and expertise make a real difference to the people in your community. TAFE NSW provides a range of qualifications that can give your career a helping hand, with flexible, stimulating and nationally recognised courses.

Whether you're interested in working with older people, helping children learn and grow, supporting people with a disability or making a difference in your community, TAFE NSW is the smart choice. We are Australia's largest education and training provider with courses ranging from an entry-level qualification through to specialist skills. All of which, have been designed by industry, to prepare you for a career working with people of all ages and needs.

[^] Source: Jobs and Skills Australia, ANZSCO ID 4117

Aged Care

Australia has an ageing population, which is increasing demand for aged care and related services. Working with older people can be a rewarding, meaningful, and important career, as you can be instrumental in improving quality of life. There are many career options and openings available in the aged care sector, and it may be a perfect career choice for you – and your first steps could be with TAFE NSW.

Is it right for you?	Courses offered include	Potential career opportunities
<ul style="list-style-type: none"> • Are you empathic? • Do you have good communication skills? • Are you interested in working with people? • Are you patient? 	<ul style="list-style-type: none"> • Ageing Support • Individual Support (Ageing) 	<ul style="list-style-type: none"> • Community Support Worker • Aged Care Supervisor • Care Team Leader • Enrolled Nurse • Home Care Worker • Personal Care Worker • Program Coordinator • Residential Care Officer

Community Services

A day spent working in community services means supporting people to make positive changes in their lives. If you are driven to help others, while also being passionate about your own career progression and future job prospects, TAFE NSW has a range of courses that can help you to achieve your goals.

Is it right for you?	Courses offered include	Potential career opportunities
<ul style="list-style-type: none"> • Are you patient? • Do you have good communication skills? • Are you energetic and passionate about your community? • Are you able to work independently? • Are you professional and ethical? 	<ul style="list-style-type: none"> • Community Services 	<ul style="list-style-type: none"> • Community Services Worker • Case Worker

Early Childhood Education & Care

If you love working with children and want to help them grow and develop, TAFE NSW has plenty of early childhood education study options to help you enter and advance within the profession. Enjoy a deeply rewarding career, where you can connect with young minds to inspire learning and growth.

Skills shortage

There are ongoing shortages of Child Care Workers and Early Childhood (Pre-primary School) teachers across Australia.[^]

Is it right for you?

- Are you passionate about early childhood education?
- Are you professional and ethical?
- Do you demonstrate good judgement and initiative?
- Are you observant and patient?
- Do you have an interest in helping children grow and develop?

Courses offered include

- Early Childhood Education and Care
- Early Childhood Education and Care (Birth -5)

Potential career opportunities

- Early Childhood Teacher
- Early Childhood Service Director/Owner/Manager
- Early Childhood Educator
- Outside School Hours Educator
- Outside School Hours Coordinator

Engineering

Skills shortage

Australia will likely need around 2 million workers in building and engineering trades by 2050 to support the country's transition to a clean energy economy.[^]

Sustainability, innovation, robotics, the digital age - there has never been a more exciting time to work in engineering and electrotechnology. This is a sector that's always advancing, so take the opportunity to build a brighter future for yourself, and for the planet.

You will learn on specialist simulators and industry-standard software, in learning environments that are as industry-realistic as possible. TAFE NSW study can lead you into a wide range of industries, including construction, manufacturing, or robotics. Whatever career you choose to pursue, you will be working with different technologies and experiencing different challenges and rewards every day.

Job ready and sustainable focus

From sustainable technologies, automation, and material technology, to communications and CAD skills, your learning is always focused on the needs of tomorrow's workplaces.

[^] Source: Jobs and Skills Australia 2023, The Clean Energy Generation: Workforce needs for a net zero economy. <https://www.jobsandskills.gov.au/publications/the-clean-energy-generation>

If you enjoy creative solutions, solving problems and working with machines and technology, then engineering and mechanical engineering could be for you. With developments in robotics and mechanical technologies, now is the time to get skilled for the future. Opportunities are opening up across a vast range of industries, from aerospace through to energy generation. So build your career in a clean and high tech environment, while helping to build a sustainable future.

In-demand skills

In Australia, there is strong demand for engineering skills across various sectors, including clean energy, construction, power systems and defence.[^]

Information & Communications Technology

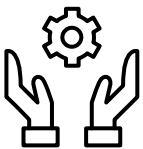

Skill shortage

In Australia, nearly 70% of ICT Professional occupations face a shortage.[^]

The ever-evolving information and communications technology (ICT) industry continues to be dynamic, progressive and exciting. The need for technical support and creative solutions paves the way for ongoing innovation and growth, with skilled ICT professionals remaining in high demand.

TAFE NSW is a leading provider of training for the ICT sector. Choose from a wide range of courses and career paths across multiple industries, with specialisations matched to current and developing technologies; from cloud-based technology, mobile, and big data analytics, to social technologies. Whether you are interested in a technical support role, the creation of systems and software, cyber security, or the design of games and websites, our digital and IT students graduate with skills that are highly demanded within the workforce.

Practical education

High tech computer laboratories include a pull-apart workshop for hardware testing, networking tasks, and virus search and removal.

Networking

Information technology networking involves connecting a range of machines and devices throughout an organisation, either physically, virtually, or both. As the world grows increasingly interconnected, networking roles will become ever more crucial to how companies conduct business. When you enrol in a TAFE NSW networking course, you will learn the necessary skills and knowledge needed to effectively manage networks, install a variety of virtual machines, and develop a strong understanding of sustainable IT practices.

Is it right for you?

- Do you like working with high-tech machines and equipment?
- Do you enjoy collaborative problem solving?
- Do you have good communication skills?
- Are you able to handle changing priorities and deadlines?

Courses offered include

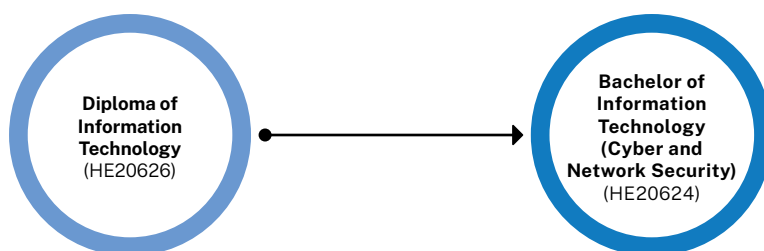

- Information Technology
- Information Technology (Networking)
- Information Technology (Advanced Networking and Cloud Architecture)
- Information Technology (Cyber & Network Security)

Potential career opportunities

- Network Support Technician
- Systems Administrator
- Computer Technician
- Help Desk Specialist

Programming & Software Development

Programming is recognised as a key skill for a large number of roles and is a particularly crucial skill set for aspiring IT professionals. As the move towards automated tasks gains momentum throughout many industries, the ability to code increases your employability across all digital-based roles. The programming or software development field can provide you with the opportunity to earn an above average income. And with the skills and knowledge learned through a TAFE NSW programming course, you can create a pathway to an in-demand career.

Land Management

The consumption of the Earth's natural resources is at an all-time high. As our world becomes more populated and the demand on resources continues to grow, it becomes crucial to create liveable, sustainable, and economically viable spaces for people, plants and animals.

Turn your passion for the natural world into a rewarding career shaping a sustainable future for Australia. TAFE NSW is one of Australia's largest providers of food processing, land management, and horticulture training. Thousands of employers and industry experts choose TAFE NSW each year, because we're passionate about providing the quality, practical experience that helps students to reach their career goals. Whether you are just starting out or looking to take the next steps in your career, a TAFE NSW course can help you achieve your goals.

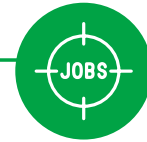

Strong industry connections

Established and dynamic employer networks, including Landcare NSW, Aboriginal Land Councils, the Australian Wool Exchange, the Australian Association of Bush Regenerators, The Landscape Association, the Australian Institute of Horticulture, the Forest Industry Council, Australian Forest Growers, the Australian Meat Industry Council, the Australian Institute of Food Science and Technology, the Australian Sports Turf Managers Association, the International Society of Sustainability Professionals, Society for Ecological Restoration, and Dairy Australia.

Horticulture & Landscaping

Horticulture is one of the fastest growing industries in Australia, and this sector plays an important role in delivering economic, social and environmental value. So if you're passionate about horticulture or landscaping, and have a green thumb, or a love for constructed landscapes, gardens, or sports arenas, then our horticulture and landscaping courses can open doors and offer you a wide range of rural and urban opportunities.

Job opportunities

Horticulture is Australia's third largest agricultural industry and includes fruit, vegetables, nuts, flowers, turf, and nursery products. The outlook for Australian horticulture production is positive, with increasing export demand.*

Is it right for you?

- Do you enjoy working outdoors?
- Do you have an interest in plants, science, and the natural environment?
- Are you passionate about sustainable practices?

Courses offered include

- Horticulture
- Landscape Design

Potential career opportunities

- Horticulture Enterprise Manager
- Horticulture Supervisor
- Senior Horticulturist
- Gardens and Parks Manager
- Landscape Designer

Maritime

Job opportunities

Australia currently employs approximately 9,300 professionals in the field of marine transport.[^]

If you fancy working on deck or in the engine room of seafaring vessels, then set sail for a maritime career. Qualified employees are in demand and there is great scope for career advancement in a wide range of work environments. From deckhands to marine engineers, there are a range of dynamic and exciting career options, all with the possibility of international work and travel.

TAFE NSW Maritime courses are delivered by professionals who have the industry experience and connections to help you launch your career. Your training will be designed with industry leaders, teaching you the practical skills in interactive learning environments that include marine digital simulators. The maritime industry is truly international and plays a large part in global business and management. Potential employers include shipping lines, ports and terminals, shipping manufacturers, logistics and freight companies.

Industry-standard facilities

Apply your skills in interactive learning environments, including simulated workspaces and field trips on vessels.

External Industry requirement: These qualifications form some of the requirements for certification by the Australian Maritime Safety Authority (AMSA) as described in Marine Orders 70-73 (2014), under the Navigation Act 2012. People seeking certification should check requirements with AMSA www.amsa.gov.au

Tertiary Preparation & General Education

TAFE NSW offers courses to help you develop the skills and knowledge you need to progress further in your studies. Whether you're hoping to continue to a higher-level course to improve your employment opportunities, or are seeking university entry qualifications, we have a course that can help you succeed.

Widely recognised

The vast majority of universities accept the TAFE NSW Tertiary Preparation Certificate (TPC) as an entry qualification.

Tertiary Preparation

The Certificate IV in Tertiary Preparation is a Year 12 equivalent course that can give you a Tertiary Entrance Score (TES) – and invaluable skills and confidence to take your next step on your study or career journey.

Learn effective study and research skills and how to analyse and apply information in various contexts. You'll also learn valuable skills in how to manage your time effectively, think critically, and behave in an appropriate manner in a learning environment.

This is a university preparation course that gives you a tertiary entrance score and access to university.

Is it right for you?	Courses offered include	Potential career opportunities

Tourism, Hospitality & Events

Job opportunities

The growth in tourism jobs is significantly faster than the growth in jobs across the Australian economy.[^]

With the right mix of skills, experience, and a TAFE NSW qualification, your career in tourism, hospitality and events can take you anywhere in the world. From producing fine cuisine, to organising perfect events, or helping someone have the holiday of a lifetime, a career in these exciting industries will enable you to unleash your creative, organisational and people skills. Your journey towards a global career starts here.

When you combine TAFE NSW's tourism, hospitality, and events courses and industry connections, you will have the skills and confidence you need to be successful in whatever service industry career you choose. Not only does a TAFE NSW qualification demonstrate to employers that you are skilled for today's workplace, as well as the needs of tomorrow, but it also gives you the practical and innovative skills to open doors to global career opportunities.

Global opportunities

Use your qualification to travel the world in exciting careers for leading organisations, just like many of our graduates currently do.

I am immensely grateful for the support and encouragement I received at TAFE NSW. The educators played a crucial role in motivating me to study and strive for excellence. Thank you all for making a significant difference in my education.

Gracie, Early Childhood Education and Care

TAFE NSW Degree Pathways

On successful completion of a TAFE NSW course, TAFE NSW Degree Pathway programs can provide you with a guaranteed pathway to enter a bachelor's degree, with credit towards the degree. Credit transfer arrangements vary from program to program and are available for TAFE NSW degrees as well as with our university partners.

Advantages of a degree pathway

- It gives you two recognised qualifications (often in the same amount of time it would take to complete a single degree)
- It provides you with practical, career-focused skills to accompany your degree
- It allows you to begin your studies in a small-class setting, with individual access to teachers and support staff
- It can lower the total cost of obtaining a degree

University Pathways

TAFE NSW is a pathway partner with leading Australian universities. On successful completion of the TAFE NSW course, agreements with these universities guarantees your entry.

Articulation

TAFE NSW has articulation agreements (credit transfer) with many Australian universities.

This means that you could receive course credit at university for your previous studies, and not have to repeat subject areas you have already covered at TAFE NSW.

On completion of your TAFE NSW studies, articulation arrangements provide you with more study options. Find out more at credittransfer.tafensw.edu.au

Application process

1. Choose a course and location

Pick the location you want to study [tafensw.edu.au/international/study/locations](https://www.tafensw.edu.au/international/study/locations). Make sure you meet the entry requirements: See page 75 or visit [tafensw.edu.au/international/apply/entry-requirements](https://www.tafensw.edu.au/international/apply/entry-requirements)

2. Download and complete the application form

For TAFE NSW to University packages, follow the respective university application process at [tafensw.edu.au/international/apply/steps-to-apply](https://www.tafensw.edu.au/international/apply/steps-to-apply)

3. Prepare certified copies of your documents

A certified copy is a copy of the original document signed and dated by the organisation that issued the original document, a government official, Public Notary or Justice of the Peace, or an education agent of TAFE NSW, confirming that they have sighted the original.

4. Submit your application online

Access and submit your application at [tafensw.edu.au/international](https://www.tafensw.edu.au/international). A TAFE NSW education agent can help.

5. Receive offer letter

A TAFE NSW Admissions Support Officer will assess your application and issue your offer letter(s) with an invoice.

6. Make payment

Accept your offer and make payment.

7. Get a Confirmation of Enrolment (CoE)

Your Admissions Support Officer will issue a Confirmation of Enrolment (CoE).

8. Apply for visa

Apply for your visa and enrol at TAFE NSW.

2025 term dates

Autumn vacation	14 April – 25 April	Spring vacation	29 September – 10 October
Term 2	28 April – 20 June	Term 4	13 October – 28 November
Winter vacation	23 June – 18 July	Summer vacation	1 December – to be advised

Note: There are two semesters per calendar year.

Course entry requirements

TAFE NSW international student applicant qualifications are assessed as part of the admissions process. For academic equivalences by country, see [tafensw.edu.au/international](https://www.tafensw.edu.au/international)

As a general guide, for diplomas and bachelor degrees, Year 12 or equivalent is required. Please also note:

- Additional requirements apply for most degree courses.
- To enter a diploma or advanced diploma course, you may need to complete a Certificate III or Certificate IV course, or demonstrate an equivalent skill level. If a prerequisite applies, you will receive an offer letter which includes both the lower and higher level course.
- For design, digital media, fashion technology, fine arts courses, you are required to submit a portfolio, design or written task along with your application. For music courses submission of audio or visual files and/or attending an audition demonstrating musical performance may be required.

See the website for detailed information about entry requirements [tafensw.edu.au/international](https://www.tafensw.edu.au/international)

Your level of English

The minimum English language requirement is Academic IELTS 6.0 (with no individual band less than 5.5) or TAFE NSW General English program.

TAFE NSW bachelor degrees, require Academic IELTS 6.5 (with no individual band less than 6.0) or TAFE NSW English for Academic Purposes course.

Diploma of Nursing require Academic IELTS 7.0 (with no individual band less than 7.0) or other equivalent acceptable test scores.

TAFE NSW offers English language courses: See page 10.

Your student visa application

To apply online for a student visa (subclass 500), go to the following link immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/student-500

If you do not have an ImmiAccount, you will be prompted to create one. You can use the Department of Home Affairs (Home Affairs) online tool to check the financial and English requirements that apply to you immi.homeaffairs.gov.au/visas/web-evidentiary-tool

If you are applying for a student visa from outside Australia, and if the online tool asks you to provide any additional financial or English language evidence, then you will need to apply through a TAFE NSW education agent.

For comprehensive information regarding student visas, visit the Home Affairs website immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/student-500
