THE UNIVERSITY
OF QUEENSLAND
AUSTRALIA

CREATE CHANGE

Welcome to The University of Queensland

Studying at The University of Queensland can be a transformational experience.

It's an opportunity to meet people who will become lifelong friends, exchange ideas with other bright minds, and learn from Australia's most awarded teachers.

You'll gain knowledge and skills that will help you excel, no matter where your life and career take you in a rapidly changing world. It's an investment in your future.

When you join us, you'll join students who come from all over Australia and around the world to study here. The curiosity, creativity and entrepreneurial spirit of our students are part of what makes employers seek out UQ graduates.

As a global top 50 university, UQ has championed creative thinking for more than 100 years to solve problems facing humanity. We don't just teach the latest research; our research pioneers are industry leaders who discover the latest breakthroughs and make a positive difference in people's lives around the world.

At UQ, we are passionate about enriching the entrepreneurial ecosystem and creating leaders of the future. We support entrepreneurs at every stage of their journey, working alongside staff and alumni, and connecting with a wide range of global experts.

University is not just about study though - you'll also have fun here. At UQ, we are renowned for our vibrant campus culture, our clubs and societies, and our world-class sporting facilities. So, UQ is a place where you'll enjoy your recreation time and make friends for life.

No matter what your reason for being here, you're sure to enjoy UQ's long-standing traditions, while creating some new ones of your own.

I look forward to seeing the positive impact that you create in your time with us and beyond.

Professor Deborah Terry AC
Vice-Chancellor and President

Disclaimer

The information in this Guide is accurate at April 2024. However, the University has many programs and courses, and refreshes and updates its programs and course offerings from time to time and without notice. It is your responsibility to visit study.uq.edu.au for up-to-date information.

All costs and fees quoted in this publication are in Australian dollars (A\$) except where otherwise indicated.

Fees for UQ programs are indicative and correct at time of publication. For up-to-date information visit your program's webpage on study.uq.edu.au.

ESOS compliance

The provision of education services to international students by Australian education institutions is governed by the *Education Services for Overseas Students (ESOS) Act 2000* and the National Code of Practice for Providers of Education and Training to Overseas Students 2018.

The ESOS Act and related legislation are designed to protect the interests of students coming to Australia on Student visas. The legislation aims to protect and enhance Australia's reputation for quality education, to provide tuition protection, and support the integrity of the Student visa program.

The University of Queensland, in providing education services to overseas students, complies with the National Code of Practice of the Department of Education and Training and the Universities Australia code of ethical practice.

Why choose UQ

Best place to learn in Australia

With more national teaching awards than any other Australian university, our educators are the most highly awarded in the country. Recognised for transforming the way students learn at university, they will inspire and guide you with the latest knowledge and ideas. You will put theory into practice in workplace, clinical, and laboratory settings, expanding your understanding and contextualising your studies.

Pioneering change

As one of Australia's leading research-intensive universities, UQ is at the frontier of knowledge creation. The calibre of our research and the impact of our innovations are addressing many of the cultural, economic and social challenges facing the world today. Be inspired by our world-leading researchers and academic leaders and understand what it takes to pioneer change. This knowledge is brought into the classroom so you can address the latest issues, ideas and challenges with their guidance and support. Discover our latest innovations and the thought leaders behind them.

World-class facilities

UQ boasts beautiful campuses, extensive recreation and sports facilities, and renowned buildings and learning environments. Our active building program includes notable structures like the Oral Health Centre, a major solar research facility, and the Liveris chemical engineering building – as well as one of the best research libraries in Australia. With 5 faculties, 7 globally recognised research institutes, and over 2,500 specialists, we uphold UQ's tradition of research leadership with the latest in technology, equipment and instrumentation, and laboratories. Additionally, we have research centres located throughout Queensland, taking advantage of the state's diverse ecosystems and climate.

Industry relevant

As a locally and globally connected university, UQ provides many opportunities for students to apply knowledge gained in the classroom to real life. You'll have access to work-integrated learning, entrepreneurial and enrichment programs, local and global internships and volunteer opportunities to boost your confidence, capabilities and résumé. A wide range of free entrepreneurship programs are available to complement your studies, and to help you build a network, take on new challenges and bring your ideas to life.

Proven graduate outcomes

We're committed to enriching your studies and developing your employability to prepare you for a career you'll love. We support you to gain knowledge, a range of capabilities and adopt an innovative mindset. Our research, teaching and connections prepare you to forge an exciting career. UQ qualifications are highly regarded by Australian and international employers. According to the 2022 Quality Indicators for Learning and Teaching Graduate Outcomes Survey, 77.7% of UQ bachelor's degree graduates secured full-time employment within 4 months of completing programs. Know when you graduate from UQ, you'll be ready for any challenge.

Digitally enhanced learning environment

UQ combines its unparalleled campus experience with an online learning environment that gives students everything for their study needs at their fingertips. Our teaching spaces and digital ecosystem enable flexible learning. UQ's well-established and modern online learning environment attracts higher than average student satisfaction than our Go8 peers in the national Student Experience Survey, with positive ratings given by 87% of students for learning resources (2022). The increasing student satisfaction reflects UQ's ongoing commitment to transformation through the co-design of bespoke digital learning experiences and assessment.

Brisbane's population is
2.57 million

1 in 3 residents
in Brisbane has a
multicultural background

Brisbane's city centre by the Brisbane River. Image courtesy of Brisbane Economic Development Agency.

We offer one of the best campus experiences in the world in a location renowned for its relaxed and safe lifestyle, subtropical climate, and vibrant and diverse culture.

Brisbane

Brisbane (Meanjin), the home of UQ's St Lucia, Herston and Dutton Park campuses, is the capital city of the state of Queensland and its economic and cultural hub. Innovative and progressive, the city is a thriving global centre in Asia-Pacific for business, investment, technology, major events, and education. It is also home to over 200 nationalities and 220 languages. As one of Australia's fastest-growing capital cities, Brisbane has unstoppable momentum and is embracing opportunity.

Entertainment and events

Brisbane has a thriving live music scene that can be discovered in Fortitude Valley and West End. It is also home to BIGSOUND, the southern hemisphere's biggest new music festival and industry gathering. For comedy, live theatre and dance, head to the Brisbane Powerhouse and the Queensland Performing Arts Centre (QPAC). The expansive Queensland Art Gallery and Gallery of Modern Art (QAGOMA) consistently ranks among the most visited Australian art museums and keep an eye out for the Brisbane Festival that attracts artists from across the globe. The city also hosts a calendar of seasonal events that celebrate our cultural diversity, such as BrisAsia Festival, Holi Festival of Colours, Paniyiri Greek Festival and more.

Sport

Brisbane's amazing weather and top-tier sporting facilities make physical activity a must.

Kayak along the Brisbane River, rock climb your way to the top of the Kangaroo Point Cliffs, ride along kilometres of scenic riverside cycle paths or participate in the extensive social sport opportunities available across Brisbane. If you prefer to spectate, cheer for your team with crowds up to 50,000 strong at a rugby union, rugby league, cricket, 'Aussie Rules' football, tennis, or soccer match at one of our world-famous sporting stadiums.

Food

With a third of Brisbane's population born overseas, you can find cuisine from almost every culture. From affordable lunchtime and 'Cheap Tuesday' offers, to reasonably priced cafes, pubs and farmers' markets, to award-winning fine dining restaurants – there is a lot to choose from and plenty of new culinary experiences to be had. Coffee culture in Australia is renowned for its quality and you won't be disappointed with how Brisbane's cafes serve up your morning brew. If you want to enjoy alfresco dining on a budget, you can always enjoy a picnic with friends and use the city's free barbecue facilities in one of our scenic parks by the river.

Around Brisbane

When you want to head out of the city, there is plenty to discover. Go south for the famous golden sands of the Gold Coast and Byron Bay; north for the unspoilt beaches of the Sunshine Coast, the world's oldest rainforest, and the majestic Great Barrier Reef; west for charming outback towns; or east for the spectacular Mulgumpin (Moreton Island), Minjerribah (Stradbroke Island) and K'gari (Fraser Island). Sydney, Cairns and Melbourne are all short flights away. There is so much to explore on your doorstep.

Gatton

Gatton, the largest town in South-East Queensland's Lockyer Valley, is the home of UQ's Gatton campus. Bordered by unspoilt mountain ranges and located only one hour's drive from Brisbane, Gatton has a culturally diverse population of approximately 6,000 people. UQ Gatton students enjoy a laid-back, country lifestyle in a close-knit community.

study.uq.edu.au/university-life/living-in-queensland

OUR CAMPUSES

St Lucia

Considered one of the most beautiful campuses in the world, our main campus is a vibrant mix of old sandstone buildings, modern architecture, parklands and lakes. It is a city within a city, with everything you need to study, live and relax.

Food

UQ St Lucia is full of cafe and food options. From great coffee and bakery food, to healthy sandwiches and wraps, pizza, noodles, bubble tea and juice bars, you won't go hungry or thirsty. We have options for all dietary requirements including vegan, vegetarian, halal and gluten- and dairy-free. If you'd like to try growing your own food, the community garden is open for students to garden, prepare and cook freshly harvested produce and relax outdoors. Whether you're looking for fine dining to celebrate those important milestones, or a quick bite in between classes, we've got you covered.

campuses.uq.edu.au/information-and-services/shops/food-retail

uqu.com.au/food-retail-outlets

instagram.com/uqfood

instagram.com/uqueats

Retail

You don't need to leave the campus for your shopping. There is a bookshop – where you can buy new books or sell your secondhand ones – a convenience store, hairdresser, post office, stationery and office supplies store, UQ Shop (the official merchandiser of UQ) and Wednesday markets offering handicrafts, gifts, flowers and fashion.

campuses.uq.edu.au/information-and-services/shops/food-retail

Entertainment

There is always something to do and see at UQ St Lucia. Listen to live music, join a book club, attend a movie night or tour one of the 5 museums.

The campus also hosts festivals throughout the year to celebrate the changing seasons and major cultural events. Join the liveliness of Diwali and Lunar New Year celebrations, and participate in captivating conversations that celebrate Australia's Indigenous cultures during NAIDOC Week.

If you want to relax and unwind, there are always wellness activities taking place too. There's something on every week.

life.uq.edu.au

uqu.com.au/whats-on

Fitness

You'll be spoiled for choice with a wide range of sport, fitness and recreational activities on offer at our St Lucia campus. UQ Sport is Queensland's largest multi-sport complex, featuring dedicated fitness, aquatic, tennis, and athletics centres, as well as an array of sports fields and courts.

There are also plenty of group fitness classes offered. From yoga and pilates to Swim Fit and Cardio Tennis, there's an option for everyone. Stay active and meet new people through weekly social sport or join a UQ-affiliated sports club – there's more than 35 to choose from.

uqsport.com.au

Library

The Library is your gateway into the world of academic information. Our staff and resources are here to help you find the answers to your questions. With safe and welcoming learning spaces, a world-class collection and approachable staff, we can connect you with everything you need to succeed in your studies. There's a library to suit everyone at UQ.

library.uq.edu.au

Healthcare

If you need to see a doctor or dentist or fill a medicine prescription, we have your healthcare needs covered right here on campus. Visit the friendly teams at the UQ Health Care clinic, UQ Dental or the Campus Pharmacy.

uqhealthcare.org.au

OUR CAMPUSES

Gatton

Our regional campus is located near the town of Gatton, 87 kilometres west of Brisbane's city centre. It offers a laid-back and friendly lifestyle with on-campus accommodation, UQ Sport Fitness and Aquatic Centre, and state-of-the-art teaching and research facilities in agriculture, animals and veterinary science.

Teaching and research facilities

The campus houses production animals, horticultural fields, a plant nursery, post-harvest facilities, research laboratories and greenhouses, a wildlife facility, specialist veterinary and equine hospitals, and some of the best animal teaching facilities in the southern hemisphere.

The community garden is nearly a hectare in size and includes garden beds in which students and staff can grow their own herbs and vegetables.

Library

The JK Murray Library is at the heart of campus, open 24/7 for study, relaxation, and meetings. With comfortable study spaces, a world-class collection and friendly staff to help with all your questions, we can connect you with everything you need to succeed in your studies. Whether you want to borrow books, meet friends for a coffee, or work quietly on an essay, there's a space to suit you.

Free inter-campus bus service

UQ provides a free inter-campus bus service between UQ Gatton and UQ St Lucia for students and staff. The travel time for the service is 90 minutes (one way).

campuses.uq.edu.au/information-and-services/parking-transport/campus-bus/intercampus

Food and retail

You can buy food and drinks from the Coffee Pod, Dining Hall and Walkway Cafe, and you can purchase and sell books at our retail bookshop. There's also an on-campus post office, and regular events for students in the Central Walkway.

Healthcare

Your healthcare needs are taken care of on campus at the UQ Gatton Medical Centre, a medical clinic with experienced doctors and nurses available to UQ students.

uqhealthcare.org.au

Fitness and sport

Whether you're looking to boost your fitness, meet new people, or relax and unwind, UQ Sport Gatton offers the opportunity to do it all in one location. There are both gym and pool facilities – as well as tennis, basketball, netball and squash courts. There are weekly group fitness classes, sporting clubs and social sports to enjoy.

uqsport.com.au

Take a virtual tour of our campuses

OUR CAMPUSES

Herston

Just 3 kilometres from the Brisbane city centre, UQ Herston is our specialist campus for health and medical teaching and research. It shares premises with the Royal Brisbane and Women's Hospital (RBWH) and the QIMR Berghofer Medical Research Institute, creating a health-focused community where students gain practical experience alongside industry professionals and leading researchers.

Teaching and research facilities

UQ Herston is home to our Medicine, Dentistry and Public Health programs, as well as state-of-the-art clinical facilities including:

- Medical School
- School of Public Health
- School of Dentistry
- Herston Imaging Research Facility
- Oral Health Centre
- RECOVER Injury Research Centre
- UQ Centre for Clinical Research.

Surgical, Treatment and Rehabilitation Service (STARS)

STARS is one of the largest tertiary specialist rehabilitation centres in the southern hemisphere. The collaborative community health precinct is home to more than 30 health facilities, research institutes and organisations, accommodating more than 13,000 staff, students and scientists.

Library

Our dedicated medical library provides access to the Queensland Health network, along with all the resources available through your UQ Library membership. As the library for a busy hospital, you can be sure you're getting the most up-to-date, expert information from our staff.

Food and retail

Head to Cafe Dose for your coffee fix and join our various events and experiences to keep you engaged and motivated.

From Employability Week to a wide range of wellbeing activities, there are multiple opportunities to stay connected with the Herston community. There's also a post office for your convenience, food and retail outlets located at the Royal Brisbane Women's Hospital, and STARS are just a short walk from your classes.

OUR CAMPUSES

Dutton Park

A short distance from the St Lucia campus, UQ Dutton Park is a health and biotechnology research and teaching hub. The campus is located in a vibrant research and innovation precinct, within an expanding health, biomedical and environmental sciences sector.

Teaching and research facilities

Across the river from St Lucia, connected by a bridge, Dutton Park is situated within Brisbane's innovation corridor. It is the primary teaching and research location for UQ's School of Pharmacy and is home to the Queensland Alliance for Environmental Health Sciences (QAEHS) and the Cornwall Street Medical Centre (UQ Health Care). It is adjacent to the Translational Research Institute, housing UQ's Frazer Institute, and has strong connections with health and government partners.

The campus adjoins the Princess Alexandra (PA) Hospital and is nearby the Mater Research Institute-UQ in South Brisbane.

Food and retail

Pacemaker Cafe provides coffee, cakes and light meals. Other cafes and coffee shops are located throughout the hospital precinct.

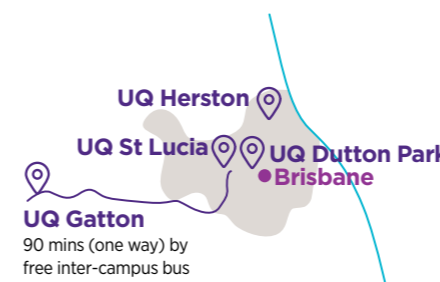

Healthcare

Cornwall Street Medical Centre at UQ Dutton Park looks after the health needs of UQ staff and students, as well as the broader community, and includes a 7-day Medicare Urgent Care Clinic where students with a Medicare card can have their urgent medical treatment with a doctor bulk-billed.

Within Cornwall Street Medical Centre, you can access the onsite Pharmacy and a range of allied health and specialist medical services. Visit cornwallstmc.com.au for a full list of health services.

Library

The Dutton Park Health Sciences Library provides welcoming and modern learning spaces and consultation zones to support the teaching, learning and research needs of staff and students.

study.uq.edu.au/university-life/campuses-research-sites

Research institutes

UQ has a proud reputation for creating change in the world through research. In partnership with government, industry and donors, UQ has established 7 globally recognised research institutes, as well as research centres at our 4 main campuses and other locations across Queensland.

Australian Institute for Bioengineering and Nanotechnology (AIBN)

AIBN seeks to deliver innovative solutions to society's problems through sustainable materials, healthy living and translational success. AIBN's research is underpinned by 5 Pillars of Research that include stem cell ageing and regenerative engineering, precision nanomedicine, advanced materials, agriculture nanotechnology and advanced biomanufacturing.

aibn.uq.edu.au

Institute for Molecular Bioscience (IMB)

IMB is a multidisciplinary life sciences research institute whose 500 researchers are developing better ways to predict, prevent and treat some of the world's biggest health challenges, such as heart disease, stroke and endometriosis, and developing sustainable solutions for our cities and agricultural sector. IMB's 4 centres focus on antimicrobial resistance, chronic diseases, genomics and drug discovery.

imb.uq.edu.au

Institute for Social Science Research (ISSR)

With a vision to make a meaningful difference to people's lives, ISSR is an international leader in advanced interdisciplinary and evidence-based social science research. Providing methodological expertise in co-design, evaluation, and advanced quantitative and qualitative methods, ISSR's modern social science research workforce partners with government and the private and not-for-profit sectors to undertake problem-oriented and solution-focused research into topics, questions and issues that matter in today's world.

issr.uq.edu.au

Mater Research Institute – UQ (MRI-UQ)

MRI-UQ turns scientific discovery into the best possible treatment, care and outcomes for patients and the broader community. Key focus areas include Mother and Baby, Chronic and Integrated Care, Cancer, Neuroscience, and Healthcare Delivery and Innovation. Each year, more than 120 students undertake cutting-edge research projects with supervision from world-class biomedical and clinician scientists. Undergraduate and postgraduate students can apply for a research project via the Mater Research website.

materresearch.org.au

Queensland Alliance for Agriculture and Food Innovation (QAAFI)

Agriculture-related research at UQ is consistently ranked among the best in the world across multiple ranking systems. QAAFI is globally recognised as a leader in agriculture and food science research in subtropical and tropical production systems. It delivers high-quality research impact and industry outcomes across crop, horticulture, livestock, food and agribusiness industries by working with industry partners and agriculture sector funding organisations.

qaafi.uq.edu.au

Queensland Brain Institute (QBI)

QBI is a pre-eminent neuroscience research institute with collaborators in more than 48 countries. Its dedicated scientific team strives to improve lives through a deeper understanding of the brain in health and disease, leading to discoveries about how we can harness the brain's full potential and develop new interventions and therapies for diseases and disorders.

qbi.uq.edu.au

Sustainable Minerals Institute (SMI)

The work of SMI is multidisciplinary. It integrates expertise in exploration, mining, mineral processing, workplace health and safety, mine rehabilitation, water and energy and social science, as well as governance to reduce the minerals industry's impact on communities and the environment and reshape its role in sustainable development. SMI works collaboratively with industry, governments, civil society and communities, and translates research into impact through commercialisation, research and consulting.

smi.uq.edu.au

Programs

At UQ, a qualification or degree is called a program.

We offer bachelor's programs, dual programs and honours programs at undergraduate level. For postgraduate study we have more than 150 subject areas on offer as well as Higher Degrees by Research (HDR).

You can receive credit for applicable prior studies. If you don't meet a program's entry requirements, you can take advantage of our pathways to upgrade your academic qualifications or English language skills. As a postgraduate student you may also be able to gain entry by undertaking a graduate certificate.

Using the Programs section

Consider 'doubling up'

A dual program, also called a double degree, allows you to study 2 degrees at the same time – often in a shorter timeframe. Many programs also offer the opportunity to focus on 2 areas of study within the standard duration of a program. Take a look at UQ's dual programs on page 17.

Add another dimension to your degree

Add another dimension to your degree by studying a concurrent Diploma in Languages. You can study the diploma alongside your degree and learn or progress a second language (9 languages available). The diploma is made up of 16 units and can be applied for after you have enrolled in a full-time UQ program.

Enhance your career

A UQ bachelor's degree is the solid foundation for a successful career, but to truly enhance your career prospects, consider continuing to postgraduate study after you graduate.

UQ offers postgraduate coursework programs (graduate certificates, graduate diplomas, coursework masters, coursework masters [advanced] and professional doctorates) and Higher Degrees by Research (Master of Philosophy [MPhil], Doctor of Philosophy [PhD], and Doctor of Veterinary Clinical Science) to equip you with specialist knowledge, enhance your employability, upgrade your qualifications, help you get promoted, or pave the way for your career in research.

1

Choose your program

Use the 'UQ programs quick reference table' on pages 16-19 to find your program. Alternatively, you can refer to the index on page 93.

For more information about your chosen program, visit study.uq.edu.au/study-options and insert the program code in the search bar.

2

Check your program's admission requirements

To gain entry into a UQ program you must have 'Minimum' or 'Higher-than-minimum' English language skills.

For undergraduate programs, you must have attained an overall minimum entry score in senior schooling equivalent to Queensland Year 12, and satisfied other academic entry requirements.

For most postgraduate programs you will need a 'grade point average' (GPA) (or equivalent). At UQ, we use a 7-point grading scale, where 4 is a pass and 7 is the highest grade.

Admission requirements for programs can be found within each program's description (pages 26-73).

3

Check you qualify to meet your program's admission requirements

Use the admissions section (pages 78-83) to view definitions of 'Minimum' and 'Higher-than-minimum' English language requirements and how to meet them, subject prerequisite equivalents, and each program's minimum entry score.

If you do not qualify for entry to UQ you may be able to upgrade through an academic or English language pathway (see pages 21-25).

4

Apply for your UQ program

Use the step-by-step application process to apply to UQ (see pages 82-83).

Program table explained

DURATION

The time it takes to complete a program when it is studied full-time.

Full-time: The standard study load is 8 units per semester.

Part-time: Part-time study load is less than 75% of the standard study load (i.e. less than 6 units per semester for most programs). International students can only study part-time if they do not require a student visa. All international students on an international student visa must complete the program within the stated program duration.

START SEMESTER

The academic year at UQ is divided into 2 main semesters. Semester 1 usually starts at the end of February and Semester 2 starts at the end of July.

The majority of programs begin at the start of the semester, and some only have one start semester per year; however, some programs may have an earlier or later start date or begin in Summer Semester.

CAMPUS

One of 4 UQ teaching sites located at St Lucia, Herston, Gatton and Dutton Park where the majority of lectures are held.

Some programs may be delivered at UQ's other teaching sites.

HONOURS AVAILABLE

The majority of our 3-year bachelor's degrees offer a one-year honours program. Most 4- or 5-year programs include the honours component.

This box shows whether an honours year is available as an extra year of study.

DURATION	START SEMESTER	2025 FEE (YEAR 1)	CAMPUS	ADMISSION REQUIREMENTS		HONOURS AVAILABLE ✓	DUAL PROGRAMS AVAILABLE +	QUOTA PROGRAM 👤	APPLICATION CLOSING DATE
				ENGLISH	ACADEMIC PREREQUISITES				
					YOUR CURRENT QUALIFICATION	RELEVANT DISCIPLINES			

2025 FEE (YEAR 1)

Tuition fees vary according to the program. We have provided an indicative first year tuition fee for each program in this guide.

This indicative amount is based on a standard full-time study load (16 units) for a calendar year for the year of commencement.

ENGLISH

All programs require either 'Minimum' or 'Higher-than-minimum' English language proficiency.

'Minimum' English language proficiency is IELTS 6.5 with a 6 in each sub-band (or equivalent).

'Higher-than-minimum' English language proficiency varies and is higher than 'Minimum' English.

See the fold-out and page 80 for both a list of programs with 'Higher-than-minimum' English language proficiency requirements and for alternative ways to meet 'Minimum' English language proficiency requirements.

ACADEMIC PREREQUISITES

You must have completed schooling equivalent to Queensland Year 12 to gain entry into a UQ program.

Some programs require you to have completed specific subjects (or their equivalent) at school.

Some also have additional requirements.

YOUR CURRENT QUALIFICATION

Almost all postgraduate coursework programs require you to have completed a specific degree. Some also have additional requirements.

DUAL PROGRAMS AVAILABLE

Two UQ programs undertaken at the same time (sometimes known as dual/parallel/combined/double degrees).

This box shows if a program is available as a dual program. The dual programs are listed in full on page 17.

RELEVANT/SAME/ APPROVED DISCIPLINES

For some postgraduate coursework programs you must have studied a particular discipline / disciplines to obtain entry.

QUOTA PROGRAM

A quota program is one that has limited places available for students, and entry is usually competitive. Even if you meet the minimum entry requirements, there is no guarantee you will be confirmed as having a place in the program.

APPLICATION CLOSING DATE

Standard application closing dates for the majority of UQ programs are as follows:

Semester 1
30 November of previous year

Semester 2
31 May of same year

If a program has an earlier or different application closing date than these standard dates, you can find that information in this section. See program listing for details and/or page 83 for application information.

You can find a description of each key term used in the programs section on the 'UQ terminology' page at the back of this guide (page 92).

Pathways to UQ

We offer a range of pathway programs if you don't satisfy the admission requirements for your preferred UQ program.

UQ College offers a range of English language courses and Foundation Programs to prepare you for your chosen degree.

In addition to the wide range of quality pathway programs on offer, students at UQ College enjoy all the benefits of UQ's world-class campus facilities.

uqcollege.uq.edu.au

UQ College

In our programs, you will be taught in small classes by highly qualified teachers, while outside class time you can access learning advisers, the UQ College Learning Centre, online support materials and organised student activities.

The registered provider of the Foundation and English Language Intensive Courses for Overseas Students (ELICOS) programs is UQ College (CRICOS Code 04039H).

Pathway options to enter UQ

Undergraduate programs

English language

Improve your English language proficiency by studying an English language pathway course, which can lead to:

- a UQ undergraduate program (provided you have the academic qualifications for entry and achieve the required English results). UQ undergraduate programs are listed on pages 16–17.
- UQ College Foundation Program.

Foundation Program

Improve your academic entry qualifications by studying the Foundation Program, which can lead to UQ undergraduate programs (upon meeting required results). Programs are listed on pages 16–17.

+

English language + Foundation Program

If you haven't met the English language entry requirement for the Foundation Program, you can apply for both English language study and the Foundation Program.

Postgraduate programs

English language

Improve your English language proficiency by studying an English language pathway course, which can lead to a UQ postgraduate program (provided you have the academic qualifications for entry and achieve the required English results). UQ postgraduate programs are listed on pages 18–19.

Articulate through a graduate certificate

If you do not have the academic requirements to enter a UQ master's program, you may choose instead to apply for a one-semester graduate certificate – if available – in the same program suite then study progressively to the higher-level programs of graduate diploma, coursework master's and master's (advanced).

study.uq.edu.au/admissions/postgraduate-coursework/consider-your-pathway-options

English language pathways

Improve your English language proficiency at UQ's premier provider of English language and pathway programs, UQ College. There are 2 main English language pathways to UQ programs:

Study English for direct entry into UQ

If you meet the academic requirements for entry to a UQ program but do not satisfy the English language entry requirements for that program, you can apply for a pathway that includes:

- a Bridging English course – English language classes to get you to the level you need for entry to your UQ program
- a conditional place in your preferred UQ program.

Bridging English (BE)

Duration 10 to 30 weeks, depending on your English level and UQ program entry requirements (see table opposite).

Weekly tuition fee \$580*

Campus UQ St Lucia

Minimum admission requirements

IELTS 5.0[^] overall and 5 in each sub-band (or equivalent). Higher-level programs require higher IELTS or equivalent test score for entry. See table opposite for details.

BE is our most popular English language pathway for admission into undergraduate and postgraduate programs at UQ, including Study Abroad. The course will develop your proficiency in all 4 skills (reading, writing, listening and speaking), as well as systematically building your range of vocabulary and control of grammar.

Within the BE there are 2 options:

BE Advantage

The BE Advantage finishes at least 5 weeks before semester commences. This means that if you do not pass the BE assessment the first time, you are able to complete the 4-week BE Extension and re-sit the BE assessment before the UQ semester commences.

BE Standard

The BE Standard finishes immediately before the start of the UQ semester. Due to time constraints, BE Extension is not available with this option. If you do not achieve the required English language level to enter your UQ program, you will need to start at a later date.

Choose BE if:

- you want to gain entry into a UQ program without having to sit an IELTS test at the end of your course
- you want to study with high-quality teachers in a course solely focused on helping you to gain entry into a UQ program
- you want to complete your assessment at least 5 weeks before the start of the UQ semester (BE Advantage only)
- you would like the opportunity for one-on-one consultation sessions every 5 weeks to ensure you are on track with your English language progress to reach your academic goals.

For further information, visit uqcollege.uq.edu.au or scan the QR code.

Study English for entry into UQ or the Foundation Program

If you meet the academic requirements for entry to a UQ program but do not satisfy the English language entry requirements for that program, you can apply for a pathway that includes:

- the Integrated English course – English language classes to get you to the level you need for entry to your UQ program
- a conditional place in your preferred UQ program. Note that passing Integrated English assessment does not give direct entry into UQ. You will need to achieve the required score in IELTS (or equivalent) to meet the UQ English language entry requirement for your preferred UQ program.

Integrated English (IE)

Duration 10 to 45 weeks depending on your English level and UQ program entry requirements (see table opposite).

Weekly tuition fee \$480*

Campus UQ St Lucia

Minimum admission requirements

Minimum entry level into IE is IELTS 4.0 overall with no sub score below 4.0.[^] See table opposite for details, and the table on page 24 for information on entry into the Foundation Programs from Integrated English.

Integrated English will build your English language proficiency and the academic skills required to succeed in the UQ College Foundation Program and at university.

At the higher levels of Integrated English, you can also learn IELTS test-taking skills and strategies.

To receive a UQ offer, you must provide evidence of your current English language ability (IELTS or other recognised test – see the fold-out in this guide for other recognised tests) with your UQ program application.

Choose Integrated English if:

- you do not have the IELTS score to enter the Foundation Program or Bridging English (BE)
- you wish to study with high-quality teachers to improve your English proficiency for direct entry into the UQ College Foundation Program or entry into a UQ Program using your IELTS score.

For further information, visit uqcollege.uq.edu.au or scan the QR code.

Admission requirements and program duration

Select the duration of your Bridging English (BE) or Integrated English (IE) based on your current IELTS Entry Score (as shown in each column).

R = Reading W = Writing L = Language S = Speaking

Information correct at time of publication. English language requirements are subject to change dependent on Australian government regulations.

Foundation Program Pathways

Improve your academic entry qualifications by studying the Foundation Program.

Tailor your Foundation Program to meet your future study goals. Students in the Foundation Program will study 2 core courses and 3 elective courses. Choose your electives to meet the entry requirements for your preferred undergraduate UQ program. A Humanities stream is also recommended for students who want to study Humanities and Social Sciences.

Extended

CRICOS CODE	DURATION	START	INDICATIVE FEE**	CAMPUS	ENGLISH
110741C	37 weeks (+2 exam weeks)	January or August	\$43,990	UQ St Lucia	IELTS 5 overall and 5.0 in each band (or equivalent)**

Program overview

The Extended Foundation Program is designed for students who need to improve their academic English and mathematics skills prior to undertaking the Standard Foundation Program. This program offers additional support and services to help students maximise their success at Foundation and university studies.

- Extended students benefit from an initial study period of 7 weeks intensive studies in both Academic English and Mathematics.
- The program is especially beneficial for younger students, and students who need to increase their English language proficiency.

Pathway to

Guaranteed entry into most UQ undergraduate programs provided assessment standards are met (guaranteed entry does not apply to quota programs).

Admission requirements

Eleven full years of schooling (entry from Year 11 or equivalent requires superior grades). Depending on your preferred undergraduate program, a minimum grade in Mathematics may also apply. Forecast results are accepted where appropriate and consideration is given to the actual subjects studied. We will only accept an application if the results indicate the student will have a good chance of passing the program.

Compulsory subjects

Main stream: Academic English (AE) and General Mathematics or Mathematical Methods. Humanities stream: Academic English (AE) and Humanities and Social Sciences.

Electives (choose 3)

Accounting, Behavioural Science[†], Business Management[†], Biology, Chemistry, Design, Economics, Health and Nutrition, Humanities and Social Sciences[†], Information Technology, Physics, Research[†] (†recommended for Humanities stream).

More information

including academic entry requirements by country and how to apply, visit uqcollege.uq.edu.au or scan the QR code.

Standard

CRICOS CODE	DURATION	START	INDICATIVE FEE**	CAMPUS	ENGLISH
110742B	30 weeks (+2 exam weeks)	February or October	\$35,560	UQ St Lucia	IELTS 5.5 overall and 5 in each band (or equivalent)**

Program overview

The Standard Foundation Program is recommended for students with good academic results and English language proficiency. Students complete their studies in small class sizes and have full access to student support services throughout the duration of their studies.

Pathway to

Guaranteed entry into most UQ undergraduate programs provided assessment standards are met (guaranteed entry does not apply to quota programs).

Admission requirements

Eleven full years of schooling (entry from Year 11 or equivalent requires superior grades). Depending on your preferred undergraduate program, a minimum grade in Mathematics and a science subject may also apply. Forecast results are accepted where appropriate and consideration is given to the actual subjects studied. We will only accept an application if the results indicate the student will have a good chance of passing the program.

Core courses

Main stream: Academic English (AE) and General Mathematics or Mathematical Methods.

Humanities stream: Academic English (AE) and Humanities and Social Sciences.

Electives (choose 3)

Accounting, Behavioural Science[†], Business Management[†], Biology, Chemistry, Design, Economics, Health and Nutrition, Humanities and Social Sciences[†], Information Technology, Physics, Research[†] (†recommended for Humanities stream).

More information

including academic entry requirements by country and how to apply, visit uqcollege.uq.edu.au or scan the QR code.

Accelerated

CRICOS CODE	DURATION	START	INDICATIVE FEE**	CAMPUS	ENGLISH
110743A	18 weeks (+1 exam week)	February or September	\$24,940	UQ St Lucia	IELTS 6 overall; 6 in writing, and 5.5 in other bands (or equivalent)**

Program overview

The Accelerated Foundation Program is designed for students who have higher academic results and English language proficiency (IELTS 6.0 or above) and are capable of handling a faster pace of tuition. It is also suitable for students who have completed a matriculation program in their own country but have not quite met the entry levels for undergraduate study or who need to gain assumed knowledge in certain subjects.

Pathway to

Guaranteed entry into most UQ undergraduate programs provided assessment standards are met (guaranteed entry does not apply to quota programs).

Admission requirements

Depending on the country, 11 full or 12 full years of schooling. Depending on your preferred undergraduate program, a minimum grade in Mathematics and a science subject may also apply. Forecast results are accepted where appropriate and consideration is given to the actual subjects studied.

Compulsory subjects

Main stream: Academic English (AE) and General Mathematics or Mathematical Methods. Humanities stream: Academic English (AE) and Humanities and Social Sciences.

Electives (choose 3)

Accounting, Behavioural Science[†], Business Management[†], Biology, Chemistry, Design, Economics, Health and Nutrition, Humanities and Social Sciences[†], Information Technology, Physics, Research[†] (†recommended for Humanities stream).

More information

including academic entry requirements by country and how to apply, visit uqcollege.uq.edu.au or scan the QR code.

Information correct at time of publication.

*Students wanting to proceed to a UQ undergraduate quota program in 2025 may need to meet higher IELTS requirements for entry to UQ College Foundation Program.

**Fees indicated are current for 2025. See uqcollege.uq.edu.au for updated fees.

†International English Language Testing System. For an equivalent test score, see: study.uq.edu.au/admissions/english-language-requirements

Agriculture, Animal Sciences and Environment

Undergraduate Programs

Bachelor of Agribusiness

Prepare yourself for a successful career in the rapidly changing agricultural industry. Learn all aspects of the growing, processing, trading and financing of food and fibres. Gain valuable transferable business skills recognised in Australia and globally.

Agriculture
1st in Australia
4th in the World

NTU Performance Ranking of Scientific Papers for World Universities 2023

Agriculture, animal and food sciences

Agricultural experts are needed to help sustainably feed, fuel and clothe our growing global population. Join the next generation of farm, fibre and food entrepreneurs by studying with a global leader in agriculture. We offer first-class programs in agriculture, agribusiness, and food, plant, soil and animal sciences. Learn from world-leading academics who are closely connected to industry and government, and enjoy access to our extensive specialist research facilities. Our hands-on learning approach offers practical experiences such as field visits, laboratory practicals, industry placements, and independent research projects.

Environmental management

Learn from Australia's leading environmental experts in programs that combine your scientific knowledge with the legal, political and social aspects of conservation and environmental management. Gain practical skills to understand and manage our changing planet through industry placements and extensive fieldwork experiences in a diversity of ecosystems, including World Heritage rainforests, the Great Barrier Reef, island research stations and outback Australia.

Our programs can lead to careers in:

- Agribusiness
- Agronomy and horticulture
- Animal production
- Animal health and welfare
- Business and government
- Crop and pasture production
- Ecotourism
- Environmental management
- Environmental science
- Farm management
- Food and fibre production
- Food processing
- Food science and technology
- Herd management
- Land management
- Livestock management
- Marine management
- Natural resource management
- Parks and recreation facility management
- Sustainability management
- Veterinary practice
- Wildlife and nature conservation

CRICOS CODE 084722D PROGRAM CODE 5609

“Australia is home to such unique biodiversity. I wanted to experience it myself and learn about the conservation issues here and the solutions to address them. Studying Wildlife Science is very interesting and there are lots of fieldwork elements in our program. I enjoy living in Gatton because it is the total opposite of home in Singapore. It is peaceful here, with beautiful landscapes, trees, and lots of native wildlife, and you're surrounded by people who are passionate about plants and animals!”

Craig Tan, Singapore
Bachelor of Wildlife Science

Architecture, Design and Urban Planning

Architecture / Built Environment
Top 100 in the world

QS World University Rankings
by Subject 2024

Our Regional and Town Planning
program is accredited by the
Planning Institute of Australia

Addressing world issues

Our outlook is international. We engage with climate, geographic and social conditions in our design and planning to come up with practical solutions to common problems. We help to advance knowledge of the issues affecting our physical environment like climate change, urbanisation and natural resource management.

Helping you succeed

Our programs give you the skills and qualifications to create spaces that matter. You will be taught by a mix of internationally renowned scholars, experienced practitioners and talented architects. Courses are designed around studios where students can explore their interests in a collaborative environment.

We make sure you get hands-on experience in community-based projects with real clients, so you know what it takes to succeed as a professional.

Our programs can lead to careers in:

- Architecture
- Commercial and industrial development
- Environmental management and monitoring
- Heritage and conservation
- Infrastructure planning
- Land-use planning
- Planning law and practice
- Policy and innovation
- Product development
- Regional development
- Resource management
- Social planning
- Spatial planning
- Tourism and transport
- Town planning
- Urban design
- UX design

Facilities

include architecture, design and planning studios, maker spaces, campus and CBD study and exhibition spaces, and computer labs.

"I am passionate about the subjects I'm teaching, which are Chinese and History. Teaching what I love and witnessing students as they learn and achieve their goals is incredibly fulfilling to me. I am committed to making a difference in education and enjoy creating various engaging activities for students, with the goal of fostering lifelong learning."

Lindy Yang Yang, China
Master of Teaching (Secondary)

Why be a teacher?

Teachers are in high demand

Over 94% of UQ Education graduates are offered full-time employment within 4 months after graduation. Queensland graduate teachers have one of the highest starting salaries in Australia.

Inspire the next generation

Teachers become influential in their students' lives, inspiring their love of learning and motivating them to achieve their personal best every day.

A balanced lifestyle

As a teacher you'll enjoy an enviable work-life balance, with guaranteed holidays and the flexibility to move locations depending on where your future takes you.

Endless career opportunities

Your career doesn't stop in the classroom. With further study, you also have the option to progress into a variety of leadership roles.

A degree the world will recognise

UQ's field of education is ranked 40th in the world in the QS World University Rankings by Subject 2024.

Become a community leader

Teachers have the opportunity to build relationships with their students and their families, and to create a positive sense of community in their classroom and school.

Engineering, Computer Science and IT

12 national teaching awards in the last 10 years

Work anywhere in the world

Our qualifications are internationally recognised

Mineral and Mining Engineering

4th in the world

Solving problems

For us, it starts with the spark. That craving you have to solve problems. It could be anything – protecting the planet, reimagining urban infrastructure, improving cyber security, or creating uncomplicated human-centred digital products. As long as it's there, we'll help you explore it – by encouraging your intellectual boldness, honing your skills and bringing out your capacity to lead others towards positive and impactful change.

Innovation

You will be taught by a mix of internationally renowned lecturers, industry professionals and leading researchers. Our programs focus on developing your understanding of the business environment so you can make better decisions in class and in your professional career. By the time you graduate, you'll possess a distinct blend of creative and practical abilities, where every decision you make is ingrained in sustainability – and benefits people and communities all over the world.

Our programs can lead to careers in:

- Aerospace engineering
- Augmented reality design
- Biological engineering
- Biomedical engineering
- Chemical engineering
- Civil engineering
- Computer engineering
- Cyber security
- Data science
- Design
- Electrical engineering
- Enterprise information systems
- Environmental engineering
- Game design
- Geotechnical engineering
- Human-computer interaction
- Information management
- Information technology
- Materials engineering
- Mechanical engineering
- Mechatronic engineering
- Metallurgical engineering
- Mining engineering
- Programming
- Project management
- Software design
- Software engineering
- Software information systems
- UX design
- Virtual reality design

Postgraduate Programs

Master of Computer Science

Change is the only constant in the world of computing. If you're a computing professional looking to upgrade, update or deepen your knowledge of rapidly evolving technologies – this program is for you.

DURATION	START SEMESTER	2025 FEE (YEAR 1)	CAMPUS	ADMISSION REQUIREMENTS			RELEVANT DISCIPLINES
				ENGLISH	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS	
1.5 years (24 units)	1 (24 Feb) 2 (28 July)	\$53,760	St Lucia	Minimum, see page 80	Bachelor's degree (or equivalent) in a relevant discipline	If your bachelor's degree was not awarded in a relevant discipline, you must have successfully completed specific relevant discipline content in your tertiary studies	
					Bachelor's degree (or equivalent) which includes relevant discipline content		
1 year (16 units)	1 (24 Feb) 2 (28 July)	\$53,760	St Lucia	Minimum, see page 80	Bachelor honours degree (or equivalent) in a relevant discipline	If your bachelor honours degree was not in computer science or software engineering, you must have successfully completed at least 16 courses with computer science and/or information technology discipline content in your tertiary studies. At least 2 courses must be at an advanced level in your final year of study.	Computer science and software engineering
					Bachelor honours degree (or equivalent) which includes all of the relevant course content		

Graduate Certificate and Graduate Diploma also available.

CRICOS CODE 073272E PROGRAM CODE 5522

Master of Cyber Security

Study Cyber Security and go beyond traditional thinking. We bring together students from technology, business, mathematics, social science and law to offer an integrated learning experience, unique to UQ.

DURATION	START SEMESTER	2025 FEE (YEAR 1)	CAMPUS	ADMISSION REQUIREMENTS			
				ENGLISH	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS	RELEVANT DISCIPLINES
2 years (32 units)	1 (24 Feb) 2 (28 July)	\$53,760	St Lucia	Minimum, see page 80	Bachelor's degree (or equivalent) in any discipline	Leadership field: 2 years of supervisory/management experience	Cryptography field: degree in mathematics, statistics, computer science, physics, actuarial science or information technology. Cyber criminology field: degree in sociology, criminology, criminal justice or crime science. Cyber defence field: degree in computer science, information technology, computer engineering, mechatronic engineering, electrical and electronic engineering, mathematics or software engineering.
					Graduate certificate or graduate diploma (or equivalent) in any discipline		
1.5 years (24 units)	1 (24 Feb) 2 (28 July)	\$53,760	St Lucia	Minimum, see page 80	Bachelor's degree (or equivalent) in a relevant discipline	Leadership field: 5 years of supervisory/management experience	Leadership field: degree in commerce, management, business, accounting, information technology, computer science, leadership.
					Graduate certificate or graduate diploma (or equivalent) in a relevant discipline		
					A master's degree (or equivalent) in any discipline		
					A master's degree (or equivalent) in a relevant discipline		

Graduate Certificate and Graduate Diploma also available.

Commitment to health

At UQ, we're committed to health in a big way. From the molecular to the macro, from the laboratory bench to the bedside and from biomedical to behavioural sciences, we seek to advance understanding, build better health services and make you a leader and innovator of the future.

Pathway to an exciting career

We offer one of the widest ranges of health study areas in Australia. A hands-on approach and cutting-edge research are built into our teaching, to prepare you for all types of care situations. We maintain close partnerships with major healthcare providers to inform our teaching, research and clinical engagement. Placements are important steps in your study program to expand your professional network, decide on your specialty and prepare for an exciting career.

Our programs can lead to careers in:

- Biomedical science
- Cardiac science
- Counselling
- Dentistry
- Digital health
- Disability support
- Embryology
- Environmental health sciences
- Epidemiology
- Exercise physiology
- Health and physical education
- Health promotion

“My main motivation to choose Occupational Therapy is simply the desire to help people who are injured or recovering from illness to get back to their meaningful occupations and activities. UQ is one of the leading institutions in Australia, the University also has good student support, and staff are amazing, approachable and very efficient. My favourite learning activity was the practical class in anatomy as it enabled learning from real specimens, which was a new learning experience for me.”

Esme Wai Chang, Hong Kong

Bachelor of Occupational Therapy (Honours)

Doctor of Medicine (Provisional Entry)

Gain a world-class medical education as you develop advanced critical thinking and clinical reasoning skills required for safe, high-quality clinical practice in any global setting.

DURATION	START SEMESTER	2025 FEE (YEAR 1)	CAMPUS	ADMISSION REQUIREMENTS			QUOTA PROGRAM
				ENGLISH	ACADEMIC PREREQUISITES	ADDITIONAL REQUIREMENTS	
Bachelor's degree + 4 years	1 (24 Feb)	Fee for bachelor's degree depends on selected program [^]	St Lucia, Clinical Units and Teaching Hospitals	Applicants must meet the English requirements of their selected bachelor's program, which can be 'Minimum' or 'Higher-than-minimum', see pages 80-81	Queensland Year 12 (or equivalent) Year 12 English and a minimum adjusted ATAR of 95 (or equivalent), sit the University Clinical Aptitude Test for Australia and New Zealand (UCAT ANZ) in the year of application and undertake an online Multiple Mini Interview (MMI). Provisional offers will be made based on the combined score of ATAR, UCAT ANZ and MMI and is dependent on the number of places available. Offer holders need to complete their bachelor's program at UQ within the minimum time specified and with a minimum grade point average of 5. Offer holders are also required to complete 2 subject prerequisites before enrolment into the MD.	There are mandatory vaccination and compliance requirements for this program, see medicine.uq.edu.au/current-students/work-integrated-learning-wil-requirements If you receive a Provisional Entry offer, you'll need to complete your first bachelor's degree at UQ before you start the MD program. If you've completed, or are in your final year of, a minimum of a 3-year bachelor's degree (6 semesters full-time), you can apply for the Graduate Entry pathway.	

[^] 2025 indicative fee for Doctor of Medicine is \$96,400. Fees are reviewed each year and may increase.

"The 4 years that I spent at UQ were some of the best times of my life. It was nice moving to Brisbane from Vancouver because they're similar cities in a lot of ways: they're both surrounded by beautiful scenery and really lend themselves to outdoor activities. Studying medicine at UQ has been a life-changing experience. I was lucky enough to win the 2022 Queensland Junior Doctor of the Year Award, which was surprising to be honest and I'm very humbled by it."

Dr Daniel Brimm, Canada
Doctor of Medicine (Graduate Entry)

PROGRAM CODE 5533

Master of Physiotherapy

Take your career in physiotherapy to the next level through a master's program specialising in musculoskeletal or sports physiotherapy, or extend your study to obtain qualifications in both.

DURATION	START SEMESTER	2025 FEE (YEAR 1)	CAMPUS	ADMISSION REQUIREMENTS			APPLICATION CLOSING DATE
				ENGLISH	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS	
1 year part-time (8 units) plus 0.5 year full-time (8 units)	1 (24 Feb)	\$53,760	St Lucia	Higher-than-minimum, see page 81	A degree in physiotherapy as well as 2 years full-time relevant professional experience and evidence of continuing professional education; or equivalent qualifications and experience. Entry is competitive based on GPA.	For the Field of Study component of the program (Year 2), students are required to hold limited registration or if applicable, full registration with the Physiotherapy Board of Australia, which includes by law the Board's English Language Proficiency requirements. Prior to applying, applicants should review the program's pre-placement requirements: habs.uq.edu.au/prepare-your-master-physiotherapy-placement .	Sem 1: 30 Nov (year prior to commencement)

[†] This program does not meet the eligibility requirements for an Australian Student visa (subclass 500).

CRICOS CODE 102796K PROGRAM CODE 5221

Master of Physiotherapy Studies

Build on your undergraduate degree and qualify as an accredited physiotherapist in just 2 years with the Master of Physiotherapy Studies.

DURATION	START SEMESTER	2025 FEE (YEAR 1)	CAMPUS	ADMISSION REQUIREMENTS			APPLICATION CLOSING DATE	QUOTA PROGRAM 
				ENGLISH	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS		
2 years (40 units, intensive)	Summer (1 Dec)	\$69,980	St Lucia	Higher-than-minimum, see page 81	Bachelor's degree (or equivalent) in a relevant discipline	You must have completed prerequisite courses in human anatomy and human physiology. Prior to applying, applicants should review the program's pre-placement requirements: habs.uq.edu.au/prepare-your-master-physiotherapy-studies-placement .	31 Aug (year of commencement)	

CRICOS CODE 039545A PROGRAM CODE 5267

Master of Psychology

Deepen your knowledge in a chosen area of specialisation and gain the practical training needed for a rewarding career as a practising psychologist. You may choose to specialise in counselling psychology, health psychology or sport and exercise psychology.

DURATION	START SEMESTER	2025 FEE (YEAR 1)	CAMPUS	ADMISSION REQUIREMENTS			APPLICATION CLOSING DATE	QUOTA PROGRAM 
				ENGLISH	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS		
2 years (32 units)	1 (24 Feb)	\$50,560	St Lucia	Higher-than-minimum, see page 81	An approved 4-year bachelor degree in psychology (I or IIA honours) or an equivalent 4-year program accredited by the Australian Psychology Accreditation Council (APAC). Applicants with non-Australian degrees must have their qualifications assessed by the Australian Psychological Society.	Applicants must be eligible for provisional or if applicable, full registration with the Psychology Board of Australia. Please refer to the program's webpage on study.uq.edu.au for the application requirements. Prior to applying, applicants should review the program's pre-placement requirements: habs.uq.edu.au/prepare-your-psychology-placement .	30 Sept (year prior to commencement)	

CRICOS CODE 092458D PROGRAM CODE 5666

Master of Public Health

Develop and deepen your understanding of the core services and functions in public health. Prepare for a role as a public health professional and enjoy a rewarding career where you will make a difference to the health and wellbeing of populations in a changing and inequitable world.

DURATION	START SEMESTER	2025 FEE (YEAR 1)	CAMPUS	ADMISSION REQUIREMENTS			
				ENGLISH	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS	RELEVANT DISCIPLINES
2 years (32 units)	1 (24 Feb) 2 (28 July)	\$47,200	Herston, online	Minimum, see page 80	Bachelor's degree (or equivalent) in a relevant discipline Bachelor's degree (or equivalent) in any discipline A graduate certificate or graduate diploma (or equivalent) in a relevant discipline	One year full-time work experience in a healthcare setting	Behavioural and social sciences, biomedical sciences, biostatistics, counselling, dentistry and oral health, development studies, environmental health, epidemiology, exercise and nutrition science, exercise and sport science, food science, health economics, health management, health sciences, medicine and medical sciences, nursing, nutrition, occupational health and safety, occupational therapy, pharmacy, physiotherapy, psychology, public health, science, sociology, speech therapy, and veterinary sciences

Graduate Certificate and Graduate Diploma also available.

CRICOS CODE 110071C PROGRAM CODE 5760

Master of Social Work (Qualifying)

Turn your passion for helping people and addressing social and community issues into a rewarding career with accredited qualifications in social work.

DURATION	START SEMESTER	2025 FEE (YEAR 1)	CAMPUS	ADMISSION REQUIREMENTS			
				ENGLISH	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS	RELEVANT DISCIPLINES
2 years (32 units)	1 (24 Feb)	\$43,200	St Lucia	Higher-than-minimum, see page 81	Bachelor's degree (or equivalent) in a relevant discipline	Prior to applying, applicants should review the program's pre-placement requirements: habs.uq.edu.au/prepare-your-social-work-placement	Anthropology, community development, counselling, criminology, human services, Indigenous studies, international relations, political science, psychological sciences, psychology, sociology

CRICOS CODE 063939E PROGRAM CODE 5767

"I chose UQ, which I think is the best decision I have ever made, because of its world-recognised nursing program and excellent reputation. My favourite learning activity was applying theoretical knowledge in clinical placement at a top metropolitan hospital and trying to understand rationales in a clinical environment. The program is practical to develop hands-on experience, critical thinking, and independent clinical decision-making skills."

Monil Muradbhai Baghadia, India

Master of Nursing Studies

Master of Speech Pathology Studies

Expand your theoretical knowledge and professional attributes while gaining the clinical and research skills necessary for a professional career in speech pathology.

DURATION	START SEMESTER	2025 FEE (YEAR 1)	CAMPUS	ADMISSION REQUIREMENTS				APPLICATION CLOSING DATE	QUOTA PROGRAM
				ENGLISH	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS	RELEVANT DISCIPLINES		
2 years intensive (40 units, intensive)	Summer (1 Dec)	\$67,200	St Lucia	Higher-than-minimum, see page 81	Bachelor's degree (or equivalent)	Prior to applying, applicants should review the program's pre-placement requirements: habs.uq.edu.au/prepare-your-speech-pathology-placement	31 Aug (year of commencement)		

CRICOS CODE 111199A PROGRAM CODE 5228

Master of Sports Coaching

Develop the knowledge and leadership skills expected in the world of high-performance sports coaching. Advance your career and master your craft as an innovative, well-informed sports coach.

DURATION	START SEMESTER	2025 FEE (YEAR 1)	CAMPUS	ADMISSION REQUIREMENTS				
				ENGLISH	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS	RELEVANT DISCIPLINES	APPLICATION CLOSING DATE
2 years (32 units, full-time)	1 (24 Feb) 2 (28 July)	\$43,200	Online ¹	Minimum, see page 80	Bachelor's degree (or equivalent) in any discipline A current coaching qualification endorsed by a recognised sporting body (e.g. a national sporting organisation) or equivalent	Current coaching qualifications endorsed by a recognised sporting body (e.g. a national sporting organisation) or equivalent and 1 year's coaching experience 5 years' coaching / high performance sporting experience, comprising (a) 150 contact hours per year in planning, preparation, self-reflection and learning, and continuing professional development	Sports coaching, exercise and sport sciences, health and physical education	Sem 1: 31 Jan (year of commencement) Sem 2: 30 Jun (year of commencement)
1.5 years (24 units, full-time)	1 (24 Feb) 2 (28 July)	\$43,200	Online ¹	Minimum, see page 80	Bachelor degree (or equivalent) in sports science or health and physical education UQ Graduate Certificate in Sports Coaching			
1 year (16 units full-time)	1 (24 Feb) 2 (28 July)	\$43,200	Online ¹	Minimum, see page 80	Bachelor honours degree (or equivalent) in sports science, health or physical education			

Graduate Certificate also available.

¹ This program does not meet the eligibility requirements for an Australian Student visa (subclass 500).

PROGRAM CODE 5725

Master of Sports Medicine

Created specifically for general practitioners, this program will advance your knowledge and skills in sports medicine. Develop a comprehensive and interdisciplinary approach to prevention, treatment and management of sports injuries.

DURATION	START SEMESTER	2025 FEE (YEAR 1)	CAMPUS	ADMISSION REQUIREMENTS			
				ENGLISH	YOUR CURRENT QUALIFICATION	ADDITIONAL REQUIREMENTS	APPLICATION CLOSING DATE

PROGRAM CODE 5420

Science and Mathematics

UQ researchers have developed the cervical cancer vaccine, the highly innovative Nanopatch, and chip technology in MRI machines

Access more than
2,300

laboratories, including specialist teaching and research labs

10

research centres in mathematics and physics

Mathematics
Dr Poh Wah Hillock
Australian University
Teacher of the Year 2023

World-class

UQ has one of the largest science faculties in Australia with some of the world's leading scientists, teachers, science programs and solutions to global problems. We focus on ground-breaking projects like the molecular characterisation of drug-resistant bacteria and finding better treatments for illness, solving conservation problems using mathematics and improving hydrogen bonding.

Student-focused

Interact with expert research teams, use our world-class laboratories, and contribute to making a positive impact on society and the environment. You will have opportunities to connect with industry and employers during professional placements or internships. This hands-on approach is why UQ graduates enjoy high employability rates and attractive starting salaries.

Our programs can lead to careers in:

- Archaeology
- Astrophysics
- Biochemistry
- Bioengineering
- Bioinformatics
- Biomedical science
- Biophysics
- Biotechnology
- Chemistry
- Ecology
- Entomology
- Environmental management
- Environmental science
- Food science and nutrition
- Food technology
- Genetics
- Geographical science
- Immunology
- Marine biology
- Marine science
- Mathematics
- Meteorology
- Microbiology
- Nanotechnology
- Neuroscience
- Pharmacology
- Physics
- Plant science
- Spatial science
- Statistics
- Vaccine science
- Veterinary science
- Zoology

“The problem-solving skills I developed during my mathematics degree have been so widely applicable to the range of projects I have worked on in my undergraduate research and in my role as a Data Analyst Consultant. I apply the programming skills I learnt during my degree to combine data from multiple sources so that I can analyse that data to extract meaningful insights and develop solutions.”

Pantea Konn, Germany
Bachelor of Mathematics

Higher Degrees by Research

Completing a Higher Degree by Research can advance your career opportunities, satisfy your intellectual curiosity and position you as an expert in your field, while providing you with opportunities to travel, network and explore.

Why do a Higher Degree by Research (HDR)?

As well as advancing your career opportunities and satisfying your intellectual curiosity, graduates from HDR programs can typically secure academic or research careers within tertiary institutions, or a broad range of professional and leadership roles within industry and government.

What are UQ's Higher Degrees by Research?

Doctor of Philosophy (PhD)

A PhD is one of the highest degrees that can be awarded. It is seen as a requirement for the majority of academic and research positions in a wide range of fields and industries. The aim of a PhD is to foster the development of independent research skills.

Master of Philosophy (MPhil)

The MPhil is an internationally recognised research degree that involves undertaking a significant research project. It provides candidates with an opportunity to develop and enhance analytical and research skills through independent investigation in a specific field.

Doctor of Veterinary Clinical Science

The Doctor of Veterinary Clinical Science is our veterinary residency program for already qualified veterinarians. It is designed to lead to careers as a certified specialist veterinarian, provided you meet all other requirements.

The doctorate will take you 3.5 years to complete full-time. It combines advanced coursework with clinical training and a research-based 50,000-word thesis. The doctorate is intended to introduce you to all aspects of specialist practice.

PROGRAM	ASSESSMENT	DURATION	ADMISSION REQUIREMENTS*
PhD	A thesis of no more than 80,000 words, with the research representing a significant new contribution to the discipline.	3 to 4 years	A bachelor's degree with honours class IIA or better from approved universities, which should include a relevant research component, or; a research master's degree, or; a coursework master's degree and an overall GPA equivalent to 5.65 on the 7 point UQ scale, which should include a relevant research component, or; a postgraduate degree of at least one year full-time equivalent with an overall GPA equivalent to 5.0 on the 7 point UQ scale, together with demonstrated research experience equivalent to honours IIA will be considered for PhD entry on a case by case basis, or; a bachelor's degree plus at least 2 years of documented relevant research experience, including research publications.
MPhil	A thesis of no more than 40,000 words that demonstrates a capacity for critical analysis and application of specialist knowledge.	1.5 to 2 years	A bachelor's degree with honours class IIB or better from approved universities, which must include relevant experience, or; a postgraduate degree of at least one year full-time equivalent and an overall GPA equivalent to 5.0 on the 7 point UQ scale, which must include relevant experience, or; a bachelor's degree plus at least 2 years of documented relevant experience. Evidence of other qualifications and/or experience to satisfy the Dean that the applicant is suitably qualified for admission.
Doctor of Veterinary Clinical Science	Coursework with clinical training and a research-based 50,000-word thesis.	3.5 years	BVSc(Hons) with honours class IIB or higher; OR Postgraduate degree in Veterinary Science of at least one year full-time equivalent including relevant experience and an overall GPA equivalent to 5.0 on the 7 point UQ scale; OR BVSc or equivalent plus 2 years relevant experience, or one year internship under the supervision of a registered veterinary specialist. Applicants must satisfy the Head of School and Dean of the Graduate School that they are qualified for admission, and may be required to attend an interview. Applicants must be eligible for registration with the Veterinary Surgeons Board of Queensland.

International students whose first language is not English must demonstrate that they meet the University's English language proficiency requirements (visit your program's webpage on study.uq.edu.au)

How to apply: (Higher Degrees by Research)

STEP 1

1 Check your eligibility

Check your eligibility by reviewing the admission requirements for UQ's Higher Degrees by Research.

STEP 2

2 Search for a supervisor

UQ is home to over 2,000 research experts and a growing community of internationally renowned scholars and scientists. Visit researchers.uq.edu.au to search for and contact potential advisors directly through the UQ Researchers database or view available supervision and projects. Some projects also have attached scholarships.

research.uq.edu.au/graduate-research

STEP 3

3 Prepare your documentation

When applying you must submit documents to support your application, such as a research proposal, academic CV, academic transcript, award certificates, proof of English language proficiency and 2 referee reports. If you do not upload all suggested documents, your application may be delayed or rejected.

STEP 4

4 Apply online

You can submit your application online. If you wish to be considered for a competitive, merit-based scholarship, simply indicate this on the application form. There is no need to fill out a separate application form. study.uq.edu.au/admissions/phd-mphil-professional-doctorate

Research quarters

International HDR candidates at UQ enjoy a significant advantage over students at most other tertiary institutions with annual tuition fees divided into quarters instead of semesters. This reduces the pressure to submit research prematurely due to financial considerations. Research quarters are designed to match HDR student enrolment and work patterns, as well as scholarship rounds. You are required to commence your program within the first 2 weeks of a research quarter: January, April, July or October.

			PhD 0100214
	Doctor of Veterinary Clinical Science	\$13,808	094716G

* See page 89 for refund information.

Scholarships

Boost your potential with a scholarship to study at UQ. The Australian Government provides international students with a range of scholarship options, and the University also offers competitive scholarships to help with financial support, tuition, accommodation, mentoring and industry experience.

UQ scholarships

UQ offers competitive scholarships to help high-achieving students fund their tertiary education. You might be surprised at how many UQ scholarships you can apply for, whether you are a new commencing student or already on your study journey. We have scholarships for a diverse range of criteria – such as academic excellence, sporting excellence, creative excellence and much more. You may be eligible for a scholarship for your specific program, study area or research focus. There are also opportunities to enhance the experience of students from specific international countries or regions. For more information, and to check your eligibility, visit: scholarships.uq.edu.au.

UQ HDR scholarships

UQ provides almost \$40 million in scholarship funding support each year for living and tuition expenses of Higher Degree by Research (HDR) candidates.

UQ Graduate School Scholarship (UQGSS)

The UQ Graduate School Scholarship (UQGSS) is awarded from Research Training Program (Australian Government) funding and UQ funding via a competitive scholarship round twice per year. The UQGSS provides a living allowance and a tuition fee offset. For international applicants who will study in Australia on a student visa, the UQGSS also includes an allowance for single overseas student health cover.

scholarships.uq.edu.au/scholarship/graduate-school-scholarships-uqgss---includes-rtp

Other scholarships for HDR candidates

In addition to the UQGSS, a wide range of specific projects for HDR candidates are available. New opportunities are frequently added, so prospective HDR candidates are advised to check the website regularly.

Australian Government scholarships

Australia Awards

Australia Awards are prestigious international scholarships and fellowships funded by the Australian Government. They are administered by the Department of Foreign Affairs and Trade and offer the next generation of global leaders an opportunity to undertake study, research and professional development in Australia. The opportunities provided by Australia Awards Scholarships help participants develop the skills and knowledge to drive change and contribute to the development outcomes of their country. Benefits of the scholarship include payment of an establishment allowance, full tuition fees, return airfares, living allowance and Overseas Student Health Cover (OSHC). UQ has hosted Australian Awards-sponsored students for more than 50 years.

global-partnerships.uq.edu.au/australia-awards

Destination Australia

The Department of Education awards \$15,000 scholarships per student, per year (for the duration of the program, up to 4 years) for programs undertaken at UQ's Gatton campus.

Students must commence the degree in 2025 and study full-time in a course that can be fully delivered at the Gatton campus. Students must also maintain ongoing residency in the regional area for the duration of each study period, and maintain a student visa for the duration of the scholarship.

The scholarship is renewable for each year of the program, and may be available for bachelor's, bachelor's (honours), master's or doctorate degrees.

study.uq.edu.au/destination-australia

Australian Centre for International Agricultural Research (ACIAR) Fellowships

ACIAR is Australia's specialist international agricultural research for development agency. Building capacity of individuals and agricultural research institutes in partner countries is one of ACIAR's key priorities.

ACIAR administers 2 fellowships under the Australia Awards: the John Allwright Fellowship and the John Dillon Fellowship. Recipients of the Fellowships are generally from the Indo-Pacific region, from East Africa to the South Pacific. The John Allwright Fellowship provides the opportunity for partner country scientists involved in ACIAR-supported collaborative research projects to obtain postgraduate qualifications at Australian tertiary institutions. The John Dillon Fellowship provides career and leadership development opportunities for outstanding agricultural scientists or economists from ACIAR partner countries who are involved in a current or recently completed ACIAR project. Up to 10 fellowships are offered annually.

aciar.gov.au

Other scholarship opportunities

Many international students at UQ are funded by scholarships from their home governments or other funding bodies. For more information on these scholarships, you should contact the Ministry of Education or another appropriate government agency in your home country. Some multinational aid organisations and other large corporations also provide scholarship funding for international students. If you wish to apply for assistance, contact the organisation directly.

global-partnerships.uq.edu.au/sponsored-students

A UQ research scholarship opened doors for Rainie. In her second year of study, she joined the Queensland Brain Institute, a leading neuroscience research institute. For Rainie, having the opportunity to apply her learnings in a real lab alongside hundreds of other researchers marked a milestone in her study journey.

“I still can't believe how I was able to be immersed in real-world research at such a young age while getting paid to learn techniques, attend conferences and publish papers. My advice to other students is to step out of your comfort zone and take on new opportunities as soon as possible. Once you take that first step forward, the growth will be unstoppable.”

Rainie Ye, China

UQ scholarship recipient

UQ Foundation Program,
Bachelor of Biomedical Science
and Doctor of Philosophy (PhD) candidate

3 Pass academic prerequisite subjects

To be admitted into most UQ undergraduate programs, you must have passed specific subjects. These are stated within each program entry under 'Academic Prerequisites' on pages 26–73. Some international secondary school subjects equivalent to those studied in Queensland Year 12 are shown below. If your school's subject equivalents are not listed, please contact UQ International Admissions (email applicationstatus@uq.edu.au).

Note – if you have met UQ's English language proficiency requirements (see pages 80–81), you will be assumed to have met UQ's English academic subject prerequisite.

Other Queensland Year 12 subject equivalents

LOCATION	QUALIFICATION/RESULT	SUBJECT/COURSE						
		ENGLISH	GENERAL MATHEMATICS	MATHEMATICAL METHODS	SPECIALIST MATHEMATICS	PHYSICS	CHEMISTRY	BIOLOGY
Canada	British Columbia Senior Secondary School Graduation Diploma (50 per cent min pass)	– English	– Application of Mathematics – Calculus 12 – Computer Science 12 – Foundations of Maths – Geometry 12 – History of Maths II – Mathematics – Pre Calculus 12 – Principles of Mathematics – Statistics 12	– Mathematics – Calculus 12	– Calculus 12	– Physics 11 and 12	– Chemistry 11 and 12	– Biology – Biological Science – Life Sciences 11 – Anatomy and Physiology 12

* International Baccalaureate: Environmental Systems and Societies is acceptable for Earth Science.

* Applicants must gain a grade of 3 in each relevant module to meet the mathematics prerequisite.

The list on previous page is not exhaustive, visit your program's webpage on study.uq.edu.au to view your program's overseas subject equivalents. If you have not studied the prerequisite subjects you need to enter your preferred program see study.uq.edu.au/admissions/undergraduate/review-entry-requirements for ways to meet UQ's academic prerequisite subject requirements.

4 Attain the required level of English

All students need appropriate English language skills for admission to UQ.

UQ programs have either '**Minimum**' or '**Higher-than-minimum**' English language requirements. These are listed in each program entry under 'English' on pages 80–81.

5 Complete any program-specific application requirements

Some programs require additional application requirements. The Bachelor of Music (Honours), for example, asks applicants to audition. Please carefully check each program you are interested in studying for specific application requirements. These are listed in each program entry under 'Admission Requirements' on pages 26–73 or on your program's webpage on study.uq.edu.au.

Notes to 2025 minimum entry scores table (fold-out)

1 UK GCE: 'A' Levels for locations including: Bahamas, Bangladesh, Brunei, Cameroon, Falkland Islands, Gambia, Ghana, Gibraltar, Hong Kong (SAR), Ireland, Kenya, Liberia, Macau, Malawi, Malta, Mauritius, Namibia, Nigeria, Seychelles, Sierra Leone, Tanzania, Uganda, United Kingdom, Zambia and Zimbabwe. Aggregate of best 3 (or 2) A Level subjects or a combination of A and AS Level subjects equivalent to 3 (or 2) A Level subjects. A*=6, A=5, B=4, C=3, D=2, E=1 and AS Levels count for half of these scores.

2 International Baccalaureate Diploma.

3 Canada OSSD: grade average of best 6 University (U, 4U) and/or University/College (U/C, 4M) courses; Alberta High School Diploma: Grade average of best 5 Level 30 Provincial Diploma Exams; British Columbia Senior Secondary School Graduation Diploma: grade average using the Language Arts 12 subject (provincially examined if prior to 2020) plus 3 Grade 12 subjects with 4 credit points. The following minimum entry scores are also accepted: Manitoba: grade average of best 5 grade 12 subjects; New Brunswick: grade average of best 5 grade 12 subjects; Newfoundland and Labrador: grade average of best 5 grade 12 results; Nova Scotia: grade average of best 5 grade 12 subjects = level 3 (grade 12) or 4 (advanced placement) subjects; Prince Edward Island: grade average of best 5 grade 12 subjects. Enriched/Advanced or Academic subjects only; Saskatchewan: grade average of best 5 grade 12 results, level 30 subjects and advanced subjects.

4 Chinese Gaokao: cut off scores are converted into a percentage.

5 Danish Studentereksamen: Final year results are averaged and then converted to a 15-point scale, ranging from 00 (lowest) to 12 (highest), with a passing mark set at 2.

6 French Baccalauréat: average, with 10 as the pass mark.

7 German Abitur: in the reformed upper secondary level (oberstufe), the Durchschnittsnote = 5 2/3 – P/180 where P = Punktzahl der Gesamtqualifikation. If P is greater than 840, Durchschnittsnote = 1.1 (sehr gut), 2 (gut), 3 (befriedigend), 4 (ausreichend).

8 HKDSE: combined total of the best 5 subjects (Category A, B or C), where 5*, 5** = 6, 5=5, 4=4, 3=3, 2=2=, 1=1; A*=6, A=5, B=4, C=3, D=2, E=1, Attained with Distinction = 3, Attained = 1.

9 India: grade average in best 4 subjects (converted to a percentage scale where 35% = Pass if otherwise reported).

10 Kenyan Certificate of Secondary Education: Grade average of final year results with a minimum 7 subjects where A=12, A- =11, B=10, B- =8, C+=7, C=6, C- =5, D+=4, D=3, D- =2, E=1.

11 Korean (Republic of) CSAT: achieve the minimum CSAT entry score for the relevant program and successfully complete the Republic of Korea high school diploma. CSAT score must include the following subjects: Korean Language, Mathematics (either stream), and the best of 2 social science or science subjects or a combination of both.

12 Malaysian STPM / Malaysian Matrikulasi: aggregate of best 3 subjects, where A=4.00, A- =3.67, B+=3.33, B=3.00, B- =2.67, C+=2.33, C=2.00.

13 Malaysian UEC (Independent Chinese Secondary Schools Unified Examination Certificate): aggregate of the best 5 academic subjects where A1=1, A2=2, B3=3, B4=4, B5=5, B6=6.

14 Norway Upper Secondary School Exams: grade average of final year results. Norwegian Certificate of Completion of Upper Secondary School Examinations or Comparable Qualification.

15 Pakistan Inter/Higher School Certificate (pre-Eng and pre-Med streams): grade average of final year results. Pass = 33% (E), Satisfactory = 40% (D), Good = 50% (C), Very Good = 60% (B), Excellent = 70% (A), Outstanding = 80% (A-1).

16 Singapore A Levels: aggregate of best 3 H2 subjects and the best H1 subject. For H2 subjects, A=5, B=4, C=3, D=2, E=1. For H1 subjects, the notional value is half of that assigned to H2 subjects.

17 South Africa National Senior Certificate: Grade average of best 5 subjects in the final year (excluding the subject Life Orientation and Mathematics (Third Paper)), where 7=80–100%, 6=70–79%, 5=60–69%, 4=50–59%, 3=40–49%, 2=30–39%, 1=0–29%.

18 Sri Lankan A Levels: grade average of best 3 A Level subjects where A=4, B=3, C=2, S=1. Results in the Common General Test, General English Paper, Group Project or Individual Project are not used in the calculation of the grade average.

19 Swedish Secondary School Leaving Certificate: grade average of final year results, where A=5, B=4, C=3, D=2, E=1, F=0.

20 USA Composite SAT-I (since March 2016): Total of SAT-I: Evidence-Based Reading and Writing and SAT-I: Mathematics. Students must also provide evidence of a recognised school leaving certificate.

21 USA Composite ACT Score 36 scale: Students must also provide evidence of a recognised school leaving certificate.

Admission requirements

Postgraduate Coursework Programs

To be admitted into a UQ postgraduate coursework program you must have:

- 1 completed a previous qualification and/or professional experience
- 2 attained the required minimum grade point average (GPA)
- 3 attained the required level of English language requirements
- 4 met the other program-specific requirements (if applicable).

The admission requirements in this guide are for 2025 only. Admission requirements are reviewed annually and may change without notice. It is your responsibility to visit study.uq.edu.au for up-to-date information.

1 A complete previous qualification or professional experience

The previous study you need to have completed will depend on the program you want to study.

For most programs, you'll need to have completed an approved degree equivalent to an Australian bachelor's degree. However, for some programs we'll consider other relevant experience, such as work experience.

For some programs, we'll only accept previous study in specific disciplines. This ensures you have the required level of subject area knowledge to succeed in your program.

2 Attain the minimum grade point average (GPA)

For some programs, you need to have achieved a minimum grade point average (GPA) in your previous studies. Your GPA is a measure of academic performance based on the:

- grades you received
- number of units you completed in a degree.

We use a 7-point grading scale, where 4 is a pass and 7 is the highest grade. Different institutions use many different grading scales and methods for calculating GPAs.

When you apply, we'll calculate your GPA using the UQ grading scale. Any failing grades will be included.

If your GPA is below the minimum requirement for your preferred program, you should still consider applying. You may be eligible for an offer to a lower-level program in the same discipline.

If you are unsure of what your GPA is, use the international qualifications conversion tool on the right-hand side of your program's webpage on study.uq.edu.au. Simply select your year of study, semester of commencement and where your qualification is from to see your GPA equivalent. study.uq.edu.au

3 Attain the required level of English

All students need appropriate English language skills for admission to UQ. UQ programs have either '**Minimum**' or '**Higher-than-minimum**' English language requirements.

There are many ways you may be able to meet English requirements, including previous study, English language tests and work experience.

Please see pages 80–81 for all English language requirements.

4 Meet the other program-specific requirements

Some programs require specific work experience as well as academic qualifications.

Others have additional requirements such as an interview, aptitude test, referee reports or professional registration.

Check the program's admission requirements for details: study.uq.edu.au

English proficiency requirements

UQ programs have either ‘Minimum’ or ‘Higher-than-minimum’ English language requirements.

The 3 most common ways to meet our English requirements are:

- a recognised qualification
- previous secondary schooling or post-secondary study, or
- English language tests.

‘Minimum’ English programs

Recognised qualification: If you have obtained a recognised qualification, test score, and satisfied relevant conditions listed in the table below, you will likely meet UQ’s English language proficiency requirements:

LOCATION	QUALIFICATION	CONDITIONS
International	General Certificate of Education (GCE) / General Certificate of Secondary Education (GCSE) O level	A grade C or better in English Language, English Literature, or English as a Second Language
	International GCSE (IGCSE) (must be endorsed by CIE, OCR, Edexcel, AQA or other UK authority: independent and school-assessed A Levels are not sufficient)	A grade C or better in English Language, English Literature, or English as a Second Language
	General Certificate of Education (GCE) A or AS Level (must be endorsed by CIE, OCR, Edexcel, AQA or other UK authority: independent and school-assessed A Levels are not sufficient)	A grade C or better in an English Language or English Literature subject or (AS Level) General Paper/General Studies
	International Baccalaureate Diploma	A grade of 4 or better in Language A: Literature or Language A: Language and Literature (previously English A1 and English A2) at HL or SL A grade of 5 or better in Language B (previously English B) at HL or SL Note: Literature and Performance is not accepted
Australia	Group of 8 (Go8) Foundation programs	A grade in Academic English (or equivalent) accepted for entry by the institution that offers the foundation program
	UQ College Foundation Program	A grade of 5 in Academic English
Austria	Matura	A grade of satisfactory (befriedigend) or better in English
Canada	British Columbia Senior Secondary School Graduation Diploma	A grade of 60% or higher in English in the final year
	Ontario Secondary School Diploma	A grade of 60% or higher in English in the final year
Denmark [^]	Studentereksamen (Upper Secondary School Leaving Examination) or Hojere Forberedelseseksamen (HF) (Preparatory Examination Certificate)	A grade of 4 or better in English A or a grade of 7 or better in English Level B
Germany	Abitur	A grade of 3 (or ‘Satisfactory’) or better in English
Hong Kong (SAR)	Hong Kong Examination Authority Advanced Level (HKALE)	A grade of C or better in ‘Use of English’
	Hong Kong Diploma of Secondary Education (HKDSE)	A grade of 4 or better in core English language
India	All India Senior School Certificate (AISSCE) issued by CBSE	A grade of 65 per cent or better in English
	Senior Secondary School Certificate issued by the State Boards of Gujarat, West Bengal, Maharashtra, Karnataka and Tamil Nadu	A grade of 65 per cent or better in English
	Indian School Certificate (ISC)	A grade of 65 per cent or better in English
Malaysia	Malaysian Certificate of Education/Sijil Pelajaran Malaysia (SPM)	A grade of 6C or better in English (SPM 1119)
Norway [^]	Vitnemål	A grade of 4 or better in English
Singapore	Singapore-Cambridge GCE A Levels	A grade of C or better in the General Paper or Knowledge and Inquiry subject, or a grade of C or better in H2 English Language and Linguistics or Literature in English
Sweden [^]	Slutbetyg	A grade of VG or C in English B
USA	USA Advanced Placement (AP) Examinations	English (AP) A pass in English (Grade 3)

Results are valid for 5 years from the date of the qualification being granted to the commencement date at UQ, except for locations marked with [^].

Comprehensive information about UQ’s English language proficiency requirements is available online in the UQ Policy and Procedures Library: ppl.app.uq.edu.au/content/3.40.14-english-language-proficiency-admission

NOTE: It is assumed that the applicant will have completed the entire school qualification, where applicable.

or

Previous secondary schooling or post-secondary study: If you have completed senior secondary schooling in a designated location where the medium of instruction is English, or have successfully undertaken at least one year of full-time (or part-time equivalent) post-secondary study (at diploma level or higher) in a designated location from an accredited university or institution where the medium of instruction and assessment was English, you may meet UQ’s English language proficiency requirements:

DESIGNATED LOCATIONS
American Samoa, Australia, Bahamas, Barbados, Botswana, Bermuda, Canada, Cook Islands, Falkland Islands, Fiji, Gibraltar, Ghana, Grenada, Guyana, Ireland, Jamaica, Kenya, Lesotho, Liberia, Nauru, New Zealand, Nigeria, Papua New Guinea, Samoa, Singapore, Solomon Islands, South Africa, Trinidad and Tobago, UK, USA, Zambia, Zimbabwe

or

English language tests: You can undertake one of the following English language tests to determine if you satisfy UQ’s English language proficiency requirements:

IELTS	TOEFL (INTERNET-BASED)	PEARSON	CAMBRIDGE ENGLISH SCALE	BRIDGING ENGLISH (BE)*
Overall: 6.5 Reading: 6, Writing: 6, Speaking: 6, Listening: 6	Overall: 87 Reading: 19, Writing: 21, Speaking: 19, Listening: 19	Overall: 64 Reading: 60, Writing: 60, Speaking: 60, Listening: 60	A Cambridge English Scale (CES) score of 176 Reading: 169, Writing: 169, Speaking: 169, Listening: 169	Overall: 4 Reading: C, Writing: C, Speaking: C, Listening: C

NOTE: Test scores are valid for 2 years from the date of the test to the commencement date at UQ.

*BE is UQ’s English language pathway course delivered by UQ College. See pages 21–25 for more information.

More ways to meet UQ’s English requirements

UQ also recognises acceptable evidence of sufficient English language skills developed through paid and/or voluntary work experience in a primarily English-speaking professional environment for at least 3 years immediately before the start of your UQ studies. English language test scores are subject to change; check individual program entries at study.uq.edu.au for the most up-to-date details.

‘Higher-than-minimum’ English programs

English language tests: To gain entry into UQ programs requiring ‘Higher-than-minimum’ English, you will need either the IELTS* English test score listed below, or an equivalent test score** where this is accepted:

UQ UNDERGRADUATE PROGRAM	IELTS SCORES REQUIRED				
	OVERALL	R	W	S	L

This section is only to be used as a guide and does not guarantee that you will meet UQ’s English language proficiency requirements. Each application is assessed on an individual basis. For more information about UQ’s English language proficiency requirements visit: study.uq.edu.au/admissions/english-language-requirements

If you meet your preferred program’s academic requirements but NOT the English language proficiency requirements, you may apply for a UQ College language pathway course. For more information see pages 21–25.

How to apply

STEP

1

Choose your program

- Find the program you wish to study in the Programs section on pages 26–73.
- Check you meet (or will meet) all admission requirements on pages 78–79.
- Check the application deadline has not passed.
- Check if there's a specific application process to follow for your program.

STEP

2

Create an account

- Go to UQ's online application portal and create an account: apply.uq.edu.au.

STEP

3

Complete your application

- Complete all details requested in the online application detailing all courses you have taken and qualifications you have been awarded from institutions other than UQ, even if you think they are not relevant to your application.
TIP: You can save an incomplete form and return later.
- Attach all required documentation as per the program admission requirements and any additional information requests. You must provide complete academic transcripts and/or testamurs of any previous tertiary studies (if you have not yet completed your studies please provide a current transcript). A copy of your passport (in colour if possible) and official evidence of any name differences on your transcripts/awards are also necessary.
- If you want to apply for an English language pathway package, you can indicate this during the application process.
- In addition, you may be asked to complete and submit a Genuine Student (GS) Assessment and provide a GS Agent Checklist (if working with an agent).

STEP

4

Submit your application

- **Online:** a non-refundable \$150 application fee will be charged when submitting your application online. After submission, you can check the status of your application through your account.
- If you are unable to access the online application portal, please email applicationstatus@uq.edu.au to request an application form. A non-refundable \$150 application fee is payable for an email submission of an application.
- **In person or by mail:** If you are unable to email your application, you can submit it in person or by mail to: Future Students, Level 2, JD Story Building, St Lucia, The University of Queensland Brisbane, Queensland 4072 Australia. A non-refundable \$150 fee applies for applications that are not submitted online.
- Your application will be assessed by UQ International Admissions. They will inform you of the outcome.

International student definition

You are an international student if you are:

- not a citizen of Australia or New Zealand
- not an Australian Permanent Resident, or
- a Temporary Resident (visa status) of Australia.

You are not an international student if you are:

- an Australian citizen
- an Australian Permanent Resident (visa status)
- a New Zealand citizen, or
- a holder of an Australian permanent humanitarian visa.

Permanent residency

If you have been offered a place as an international student and become an Australian permanent resident before starting your first semester of study, you will not be able to retain that place and you must apply as a domestic fee-paying student.

Most postgraduate students must apply to change their fee status as soon as confirmation is received about their new residency, visa or citizenship status. All undergraduate students must apply for a Commonwealth Supported Place (CSP) through the Queensland Tertiary Admissions Centre (QTAC).

my.uq.edu.au/information-and-services/manage-my-program/fees-payments-and-refunds/fees-international-students/changes-residency-visa-or-citizenship-status

qtac.edu.au

International students studying Year 12 in Australia

If you are an international student studying Year 12 in Australia, check our website for details on how to apply for an undergraduate program through QTAC.

You may also be eligible for Adjustment Factors (previously known as Bonus Points).

study.uq.edu.au/information-resources/high-school-students

yr12international@uq.edu.au

Credit transfer and exemption for previous studies

Credit for previous studies

If you have completed study elsewhere and have taken courses that are the same, or similar (in terms of level, standard and content) to your UQ program, you may be eligible for credit transfer. In some instances, this will reduce the amount of time it will take to complete your UQ program. UQ recognises formal studies and recognised informal learning. You can see if your prior studies qualify through our database

creditprecedents.app.uq.edu.au

Exemption for previous studies

If you have undertaken some prior formal or informal learning you may not have to complete some courses in your program. You will still have to complete the usual total number of units to graduate.

study.uq.edu.au/admissions/undergraduate/check-credit-eligibility

study.uq.edu.au/admissions/postgraduate-coursework/check-credit-eligibility

IB students

If you achieve specified grades in your IB, you may be offered up to 8 units of specified or unspecified credit for selected bachelor's level courses. Exemptions are also available for some IB subjects. You can apply for credit and/or exemption once you have accepted an offer and enrolled at UQ. For information on the minimum grades needed to obtain credit, and to download an application form visit:

study.uq.edu.au/admissions/undergraduate/check-credit-eligibility

Visas

All international students applying to study in Australia must have a student visa unless they have an alternative visa that enables them to study. If you are granted a student visa, you must comply with all student visa conditions. For all visa enquiries and applications, please contact your local Australian Embassy, High Commission or Diplomatic Mission.

study.uq.edu.au/university-life/getting-prepared-to-come-to-australia/student-visas

dfat.gov.au/about-us/our-locations/missions/our-embassies-and-consulates-overseas

homeaffairs.gov.au

Applications

Closing dates

We recommend that you submit your application no later than the dates below to ensure you have enough time to apply for a student visa. Please note that some UQ programs have earlier closing dates. See program listing for details.

Semester 1 30 November of previous year
Semester 2 31 May of same year

Assessment

Applicants are assessed on a case-by-case basis. For some quota programs, meeting the minimum entry requirements does not guarantee acceptance. Applicants who do not meet academic entry requirements may wish to consider taking a Foundation Program offered by UQ College (see page 25).

Your application status

You can view the status of your application through the online application portal.

Documentation required

Academic

- Certified copies of up-to-date transcripts and award certificates.
- Grading scales will also be needed for any tertiary studies.
- Certified official translations for documents in languages other than English.

English

To demonstrate your English language proficiency, you must provide relevant academic transcripts and award certificates with your application. Specific arrangements apply to IELTS, TOEFL and Pearson Test of English (PTE) Academic.

study.uq.edu.au/admissions/english-language-requirements

Waiting on documents?

You may be eligible for a conditional offer if you are still waiting for transcripts or final results. Submit your application with evidence of English language proficiency (unless you intend to sit a test), and any results you have so far. You can provide outstanding documents to your online application portal as soon as you receive them.

Deferrals, suspensions and cancellations

If you have an offer and wish to defer (i.e. delay commencing to a future semester), please contact the International Admissions office before the commencement date stated on your offer. If you have already received your UQ Confirmation of Enrolment (CoE), a deferral will only be permitted if there are 'compassionate or compelling grounds'. If a deferral is not approved, you may still delay commencing, but your CoE will be cancelled. The University can suspend or cancel your enrolment for a number of reasons including misbehaviour, poor academic standing and unsatisfactory academic progress. Please note that any deferrals, suspensions or cancellations may affect a student visa or visa application.

my.uq.edu.au/information-and-services/manage-my-program/withdraw-defer-or-return-study/deferring-studies

Students under 18 years of age

UQ offers a Supervision Program that provides supervision and support to our international students under 18 years of age. This program is compulsory for international students who:

- are under 18 years of age when they enter Australia and commence their program at UQ
- are under 18 and are not living with a parent, legal custodian or suitable relative approved by the Department of Home Affairs
- need their accommodation and welfare arrangements approved to meet the Department of Home Affairs' student visa requirements.

study.uq.edu.au/university-life/getting-prepared-to-come-to-australia/under-18-international-student-supervision-program

Life at UQ

UQ will be your home away from home. We offer sporting, cultural and recreational activities, we help you find accommodation, and we anticipate your unique needs from arrival to departure.

Whether you require help with learning, someone to talk to, or a lift from the airport the first time you touch down in Australia, we have you covered.

Student support

Settling in

Getting started

Make your transition to UQ a smooth one by attending one of our Getting Started sessions either when you arrive or during O-Week. Attendance is compulsory for all international students. In the session, you find out how to enrol, register for classes, get your student ID card, and key UQ dates and terminology. We also tell you about what services and facilities are on campus, how to register for public transport, student discounts, and what your best options are for getting to and from UQ.

my.uq.edu.au/orientation

my.uq.edu.au/starting-at-uq

Transition to UQ life with ease by registering for the Jump Start Academic Preparation Program (JSAPP), held before semester starts. my.uq.edu.au/information-and-services/student-support/study-skills-and-learning-advice/study-skills-and-learning-advice-overview/jumpstart-uni-preparation-program

O-Week and your first weeks

O-Week is a great introduction to life at UQ and is held one week before semester starts. You can browse clubs and societies, listen to live music, meet new and interesting people at events, pick up free stuff, and most importantly, attend your program's welcome session.

my.uq.edu.au/orientation

UQ mentoring

UQ offers lots of mentoring opportunities for you to get connected, get involved and have fun! Connect to peers, groups or industry partners; there's something for everyone. As a new student transitioning to university life we recommend you check out the Get Set program to help you navigate your first weeks at UQ. For more information on all of the mentoring opportunities available, visit the Mentoring website.

my.uq.edu.au/mentoring

Clubs and societies

Are you up for expanding your social network and diving into a hobby or passion? Join one of our 200 clubs and societies. From anime to yoga, medievalism to table tennis, and hockey to dancing, you are certain to find like-minded people. If you don't, you can always start your own club.

uqu.com.au/connecting-u/clubs-societies
uqsport.com.au/clubs

Safety on campus

Our campuses are safe places for students and staff. St Lucia and Gatton campuses have 24-hour security teams.

St Lucia also offers a safety escort service if you would like someone to accompany you to public transport or your car, and a Safety Bus that runs from 6pm onwards around the campus.

Plus, students can download the free UQ SafeZone app, which connects students directly with security officers or emergency services.

campuses.uq.edu.au/information-and-services/security/campus-safety

Spiritual practice

UQ welcomes students from all faiths and practices, and our Multi-Faith Chaplaincy at St Lucia caters to all religions. It is a great place to meet people from different cultures and faiths.

my.uq.edu.au/information-and-services/student-support/religion

Enhance your employability

From your first year you can take part in a range of enrichment experiences that will help you develop valuable career capabilities as well as gain exposure to work environments, engage with different cultural contexts, and expand your professional networks. Global study, internships, research projects, career workshops, and industry events all contribute to your employability development.

study.uq.edu.au/enhance-your-employability

Academic and life support

Student Central

If you need help navigating university administration, visit UQ Knowledge Base online or head to Student Central for help with enrolment, employability development, your Student ID card, counselling, study skills and more.

my.uq.edu.au/contact/student-central

Academic workshops

Gain new skills and prepare for exams by attending free workshops held by our Student Services team. There are workshops on writing assignments, improving your memory, thesis writing, presentation skills, time management, academic language and grammar, and more.

my.uq.edu.au/information-and-services/student-support/workshops

Student Advisers

Our Student Advice Team can help you with a wide range of professional and confidential services. This includes support for welfare and wellbeing, diversity and inclusion, career development, counselling, and more.

You can make a private appointment with a student adviser or counsellor by contacting Student Services.

my.uq.edu.au/contact/student-central

The Student Union (UQU) can also help you with legal or migration support.

uqu.com.au

Peer Assisted Study Sessions (PASS)

Learn more about studying at UQ from second- and third-year students who have achieved top grades in your course. They can provide advice on coursework and content, and suggest effective study habits that will help you make the most of your time. Ask your faculty for more information.

English language support during your study

Develop and refine your Academic English language skills needed for study at UQ by enrolling in our free English for Academic Communication (EAC) workshops offered in-semester by our award-winning English language institute, UQ College.

A range of academic English study options covering a range of skills and topics are available to meet your needs.

uqcollege.uq.edu.au/study-options/english-courses/eac

Information sessions

Our range of information sessions and modules will help you get ready for life at UQ and transition to studying in Australia. These sessions take you through preparing to arrive in Brisbane, enrolment, orientation and how to navigate our websites.

my.uq.edu.au/information-and-services/student-support/information-sessions

UQ ALLY

Ally Network is our award-winning program for the LGBTQIA+ community.

staff.uq.edu.au/information-and-services/human-resources/diversity-sexuality/ally-network

UQ provides free support, services and facilities for students with a disability, illness, injury or mental

health condition at UQ. You can contact a Diversity, Disability and Inclusion Adviser to ensure your transition to study is as smooth as possible. my.uq.edu.au/information-and-services/student-support/diversity-disability-inclusion

Accommodation

Accommodation for every journey

Beyond your books and classes, where you choose to live is also part of the learning journey.

Whether you want to experience UQ living on campus or in accommodation outside of university, we're here to help curious minds feel right at home.

On-campus living

Welcome to a truly immersive university experience. Join us on campus and connect to a community that centres around you and your education.

UQ residential colleges

Make lifelong friendships in a welcoming student community. Our 10 residential colleges provide a place where you can make memories and connections that stay with you long after graduation:

- Cromwell College
- Duchesne College
- Emmanuel College
- Grace College
- International House
- King's College
- St John's College
- St Leo's College
- The Women's College
- Union College.

Living in a UQ college also means access to:

- a welcoming, collegial community
- 24/7 onsite staff support and pastoral care
- well-established academic communities and alumni networks
- inter-college sporting, cultural, community and social activities
- outstanding leadership, career mentoring and wellbeing programs.

With their unique and historical connection to the University, UQ colleges have an ideal on-campus home for everyone.

Gatton Halls of Residence

If you are studying at Gatton, stay in the Gatton Halls of Residence. Set among historic buildings and the beautiful outdoors of regional Queensland, The Halls have provided our students with a home since 1897. With 436 rooms, there's a place for you at Gatton.

Students enjoy some downtime at a UQ residential college

Spacious living and study room at Kev Carmody House

Kev Carmody House

Kev Carmody House is UQ's new student residence exclusively for UQ students.

Located in the heart of our St Lucia campus, Kev Carmody House has the convenience of being just minutes away from classes, and features:

- 610 light-filled and spacious one-bedroom rooms with ensuite bathrooms
- a wide range of social areas to cook and catch up with new friends
- world-class facilities and a stunning rooftop pool deck
- an engaging student life program.

More than a place to study, Kev Carmody House is a place where you can belong and thrive in a vibrant community to call your own.

UQ Res Homes – St Lucia and Gatton

UQ Res Homes are for eligible students and families seeking accommodation on and around St Lucia and Gatton campuses. Rooms are available in 3-, 4- or 5-bedroom houses. Properties are limited and priority access is given to students in need, including those who have recently arrived from overseas.

Off-campus living

From city living to suburban share houses, you'll find a place to stay in no time.

Purpose-built student accommodation

Join students from universities all across Brisbane at one of our recommended student accommodation providers. A variety of studio, single-bedroom and twin-share options is available.

Private housing

Would you like to branch out from the uni community? You might like to share a house or apartment with other people. Brisbane's rental market features everything from cost-effective share houses to high-rise apartments, while Gatton offers a range of affordable share houses. To find a room, apartment or house, first check our UQ Rentals database. There are also private rental accommodation websites and you can rent directly from real estate agents.

UQ Accommodation team

Our UQ Accommodation team can help you find your ideal home. The team offers free information sessions before classes start, and can also give you advice, check documentation for you, and direct you to useful material online.

Airport welcome and shuttle service

If you are a new international student to UQ, we'll welcome you when you arrive and provide you with free transportation from the airport. During peak flight arrival times our International Student Welcome Crew will greet students arriving at Brisbane International Airport. Students can use the UQ-provided complimentary airport shuttle service that drops off at key locations across Brisbane and the Gatton campus.

my.uq.edu.au/information-and-services/student-support/accommodation/accommodation-overview/international-student-airport-welcome-and-shuttle-service

Guaranteed accommodation

When you apply through UQ Guaranteed Accommodation, you're able to secure your accommodation prior to arriving in Brisbane and commencing studies at UQ.

The UQ Residential Colleges (on campus) and UQ-approved purpose-built accommodation providers (off campus) set aside a guaranteed number of rooms so you're able to compare, choose and secure the most appropriate accommodation easily. Find out more at:

my.uq.edu.au/student-support/accommodation/guaranteed-accommodation

my.uq.edu.au/student-support/accommodation

Cost of living

Brisbane is considered one of Australia's more affordable major cities for students to live in.*

To make the most of your time in Australia, we recommend you plan and budget for your study, leisure and holiday time.

*studentcities.com.au

Yearly costs

How much it will cost you to live in Brisbane will depend partly on your lifestyle preferences. From 1 October 2023, the Australian Government Department of Home Affairs announced that student visa applicants will need to show they have a minimum of \$24,505 to cover the cost of living for a year in Australia.

In addition to this amount, you'll also need to consider establishment costs such as buying furniture, paying a rental bond and setting up electricity, gas and mobile phone accounts, as well as other expenses such as visa and medical fees, tuition fees, return airfares, and Overseas Student Health Cover (OSHC). Remember that exchange rate variations may also affect your budget.

Monthly expenses

The table below estimates monthly expenses for studying at UQ. These estimates are a guide only and prices vary according to your lifestyle. UQ tuition fees, textbooks and study materials, clothing, entertainment, printing, and healthcare costs are in addition to the figures below.

Monthly cost of living	STUDENT LIVING IN ON-CAMPUS COLLEGE*	STUDENT LIVING OFF-CAMPUS / STUDENT ACCOMMODATION*	FAMILY (2 ADULTS, ONE CHILD) LIVING OFF-CAMPUS***
Rent	\$2,050-\$3,000*	\$840-\$2,480	\$2,640-\$3,000
Utilities (gas, electricity, water)	included in rent	\$170-\$215**	\$200-\$415
Food	included in rent	\$560-\$1,120	\$1,300-\$1,600
Mobile phone / internet	\$45-\$125	\$45-\$125	\$90-\$320
Public transport	\$90-\$120	\$90-\$120	\$270-\$360
TOTAL	\$2,185-\$3,245	\$1,705-\$4,060	\$4,500-\$5,695

* Catered meals are included at UQ Residential colleges. UQ RES (Kev Carmody House) does not include catered meals.

* On-campus and off-campus accommodation costs are usually lower in Gatton. The cost for a standard resident room in the Halls of Residence in Gatton is from \$378 per week.

** Many student accommodation providers include electricity, gas and internet costs in rent; however, check with your provider to be sure.

*** These costs are based on the assumption that the dependent child is not of school age and does not factor in child care costs. For more information on fees for school aged dependants visit: eqi.com.au/apply-now/fees

This table should be taken as a guide only. For the most accurate costs of living, visit: study.uq.edu.au/university-life/living-in-brisbane/cost-living

Working while studying

If you have a student visa you can work up to 48 hours per fortnight (2-week period) during university semesters (effective 1 July 2023), and full-time hours during holidays. In general, students shouldn't expect to cover tuition fees or living expenses with a casual job.

If you're studying at UQ on a scholarship, you should contact your scholarship provider about how many hours you're permitted to work each week.

immi.homeaffairs.gov.au/visas/already-have-a-visa/check-visa-details-and-conditions/see-your-visa-conditions?product=500

Student concessions

As a student, you can use your student ID to receive concession prices for public transport, the cinema, museums, software, technology and much more.

my.uq.edu.au/starting-at-uq/student-finances/budgeting

Visa information

When applying for a student visa, you must meet the Genuine Student requirement (immi.homeaffairs.gov.au/visas/getting-a-visa/visa-listing/student-500/genuine-student-requirement) and have sufficient funds to pay your tuition fees and living costs (including the living costs of any dependants, if applicable) for the duration of your studies.

study.uq.edu.au/university-life/getting-prepared-to-come-to-australia/student-visas

Bringing your family

To apply for a student visa in Australia, you need to declare that you have access to sufficient funds to pay your tuition fees and to support yourself and any dependants who are coming with you. This declaration is part of the UQ acceptance process. For children, you will also have to factor in school fees and childcare costs.

eqi.com.au/apply-now/fees

If you're bringing a spouse and/or children, they will need dependant visas.

study.uq.edu.au/university-life/getting-prepared-to-come-to-australia/bringing-your-family-australia

Fees and expenses

As an international student, you will pay tuition and non-tuition fees. Some programs have additional costs; see individual program listings for details.

Tuition fees

Tuition fees vary according to program. We have provided the 2025 first-year tuition fee and the indicative total tuition fee for each program on pages 16-19 as a guide. These amounts are based on a standard full-time study load, unless otherwise indicated.

UQ has program-based tuition fees for coursework award programs, meaning that all courses within a program are charged at the same tuition fee rate per unit for a given academic year. Some programs also have additional costs. Tuition fees are reviewed annually.

Visit your program's webpage on study.uq.edu.au for the latest information about tuition fees.

Non-tuition fees

Non-tuition fees paid to the University may include the student services and amenities fee, books and equipment, health insurance, administration and accommodation. Other non-tuition fees include assistance to apply for or hold a student visa.

study.uq.edu.au/admissions/undergraduate/review-fees-and-financial-support

study.uq.edu.au/admissions/postgraduate-coursework/review-fees-and-financial-support

Student Services and Amenities Fee (SSAF)

The SSAF is charged each semester for the provision of non-academic services. In 2024, the annual SSAF was capped at \$351.

my.uq.edu.au/information-and-services/manage-my-program/fees-payments-and-refunds/student-services-and-amenities-fee

Health insurance

If you'll be coming to Australia on a student visa, you'll need to purchase and maintain Overseas Student Health Cover (OSHC) as one of the conditions of your visa. This is an insurance policy that covers you for basic medical and hospital care and is required from the day you arrive in Australia until you leave. UQ's preferred OSHC provider is Allianz Care. UQ can organise your OSHC with Allianz when you accept your UQ offer and pay your tuition fee deposit.

Alternatively, you can obtain your own OSHC from a government-approved OSHC provider.

study.uq.edu.au/university-life/getting-prepared-to-come-to-australia/overseas-student-health-cover

Financial aid

We can help students from North America, as well as some countries in Europe and Latin America, apply for student loan programs that are offered in their home countries. These loans can help you cover a portion of your educational expenses while studying full-time at UQ.

study.uq.edu.au/admissions/financial-aid-international-students

Refunds

If you cancel your enrolment by census date, fees can be refunded in full, unless you are a commencing student. For commencing students an administrative charge applies if you withdraw, or you are unable to meet the conditions of your conditional offer, or your enrolment is cancelled. After the census date, refunds are only considered in special circumstances. Refer to the Student Refund Procedures for details.

ppl.app.uq.edu.au/content/3.40.03-student-refunds

Cost of living calculator

Study Australia provides a helpful Cost of Living Calculator to estimate your weekly, monthly and annual living costs.

costofliving.studyaustralia.gov.au

A truly global network

As an international student, you know the importance of thinking and acting globally. At UQ, so do we.

Our worldwide partner and alumni networks give you the international opportunities and connections to enhance your learning, life skills and employment prospects from the start of your degree to long after you graduate.

Global exchange experiences

As a UQ student, Brisbane or Gatton is just the first stop on your overseas adventure. Grow your global network through UQ's student exchange program by studying up to 2 semesters of your degree at one of our 136 partner institutions in 31 countries.

You'll gain program credit while expanding your world perspective, enhancing your employability, developing your network, and maybe even learning a new language. While on exchange, tuition fees at the host university are waived as you remain enrolled at and pay fees to UQ. Please visit this webpage to see UQ's outgoing exchange partners.

employability.uq.edu.au/student-exchange/find-host

employability.uq.edu.au/global-experiences

Incoming exchange and study abroad

Even if you're partway through a degree at a non-Australian university, with our incoming exchange and study abroad programs you can still study at UQ for one or 2 semesters and gain credit for your degree back home. If your university has an exchange agreement with UQ, you are eligible for the Incoming Exchange program. If your university is not partnered with UQ, you can apply to UQ as a Study Abroad student.

For a full list of our global incoming exchange and study abroad partners, visit:

study.uq.edu.au/admissions/study-abroad/review-entry-requirements/exchange-partners

study.uq.edu.au/admissions/study-abroad

Unlock new languages

In a global economy, the ability to communicate with a wide range of people is invaluable. Want to brush up on your language skills? Language classes are offered to students and the public at our Institute of Modern Languages where you can choose from more than 30 different languages other than English.

[Institute of Modern Languages iml.uq.edu.au](https://iml.uq.edu.au)

Short-term experiences

While studying at UQ, you can participate in short-term global and virtual study experiences scheduled during the semester breaks. You can immerse yourself in a new culture for 2 to 8 weeks to enhance your academic learning and employability. If you're looking at expanding your practical skill set through short-term experiences, opportunities for domestic, virtual, and global internships are available.

study.uq.edu.au/enhance-your-employability/global-experiences

Global Startup AdVentures

Become a global thinker and learn from the world's most innovative startup hubs. Ventures Startup AdVentures are intensive international funded learning experiences (in-country). Build your network, learn from experienced innovators, and gain firsthand knowledge on founding, investing, and growing an early-stage business.

ventures.uq.edu.au/startup-adventures

Global business connections

At UQ you'll join a global network of more than 332,000 alumni, many of whom are leaders in their fields including more than 17,700 PhDs, in 184 countries. You'll benefit from an extensive graduate network, strong industry partnerships and many notable alumni.

alumni.uq.edu.au

Relationships changing the world

Global connectivity is at the heart of UQ's vision to create knowledge leadership for a better world. From renewable energy technologies and sustainable mining practices, to disease control and child psychology, our international collaborations are working towards a cleaner, healthier and happier future. Explore our impact around the world.

global-partnerships.uq.edu.au

UQ partners

UQ has links worldwide and is also a proud member of the prestigious Group of Eight and Universitas 21 networks.

UQ's strategic partnership network

UQ has a strategic partnership network across more than 50 international locations, which includes leading organisations and institutions across higher education, research, industry, government, sponsorship and philanthropy.

As a key component of UQ's broader Global Strategy, UQ seeks to ensure a cohesive and coordinated approach to collaboration with international partners. UQ partners for global impact by building meaningful relationships worldwide and leveraging our strategic global presence. UQ's global connectedness has a multitude of beneficiaries, leading to research outcomes, products and services that have real impacts on people around the world.

UQ is also a member of a number of global networks that enhance the opportunities for collaboration for our staff and students, including Universitas 21, a select international network of comprehensive, research-intensive universities, and the McDonnell International Scholars Academy, a select group of research universities that aims to develop future leaders and promote global awareness and social responsibility.

UQ also has a number of arrangements with international institutions to facilitate the progression of students from those institutions to UQ through credit transfer.
